The Shield can never tell the whole story of a class. It rarely reveals the frustrations and joys that go into the solving of an insurmountable problem, nor can it record a lasting friendship with a professor, a roommate, or a friend.

Yet we can hope to evoke memories within these pages: the distinctive characteristic of a favorite professor, the class election, the night of cramming, the eternal bull-session in the dorm, the great time at the weekend, and the excitement of a close game.

The camera and copy have caught a glimpse of our four short years at St. Michael's . . . never again to be lived, except in memory on the pages of this volume.

*Mont Saint Michel
Millenium*

This is Father James P. Ryan and to him we dedicate our yearbook.

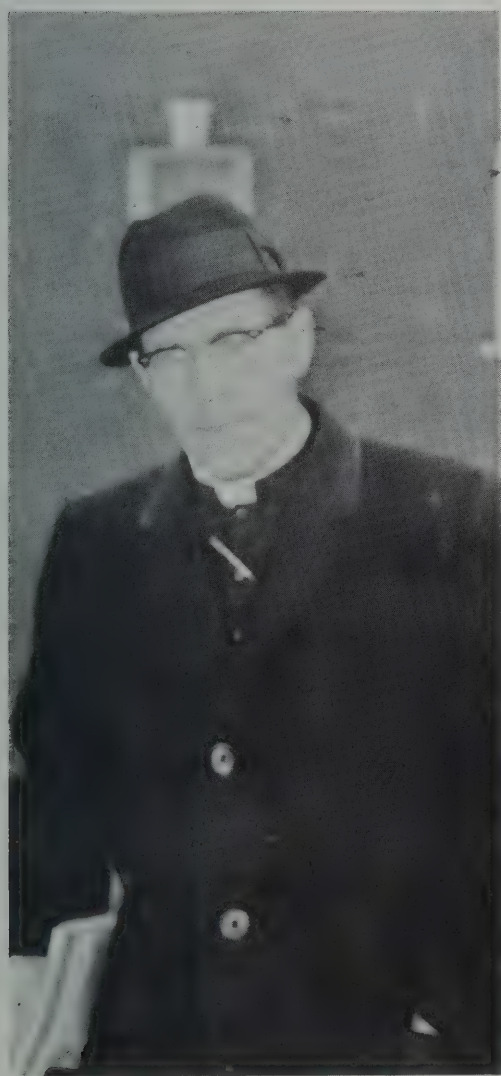

He was many things to us: theologian, adviser, rector, and confessor.

His energy, interest and ever sympathetic understanding of us as students, have helped us to realize the virtues that carry the name of MICHAELMAN.

In the classroom, Father's brouge, quick-wit, and smile livened his lectures as he taught us what God — and Sheed — have to say about our religion.

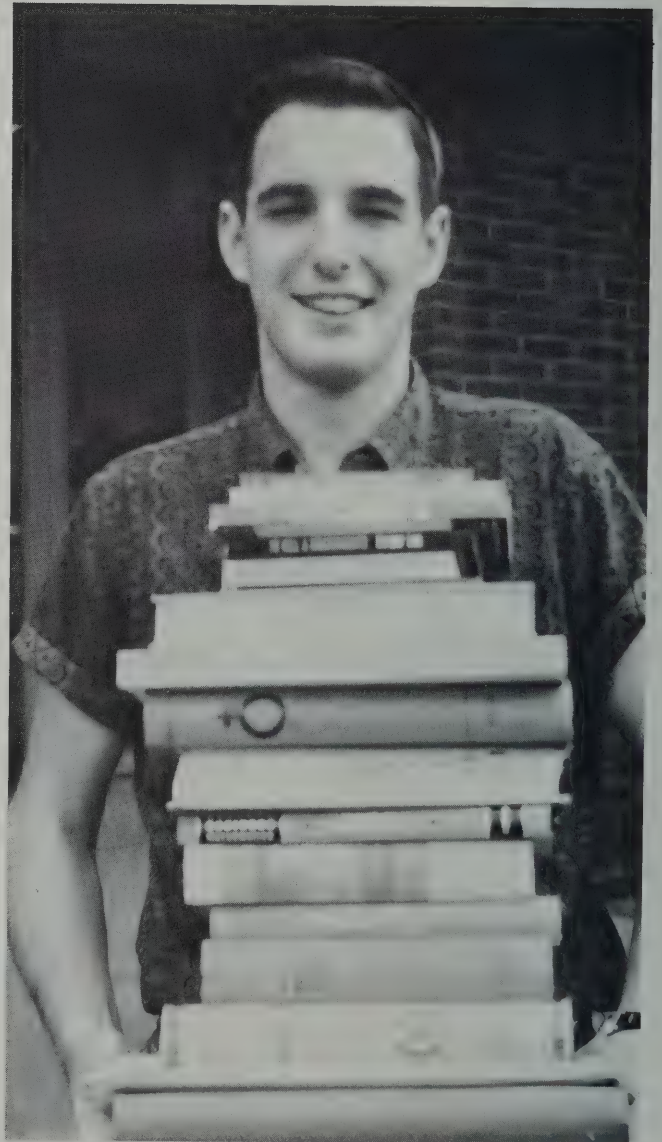

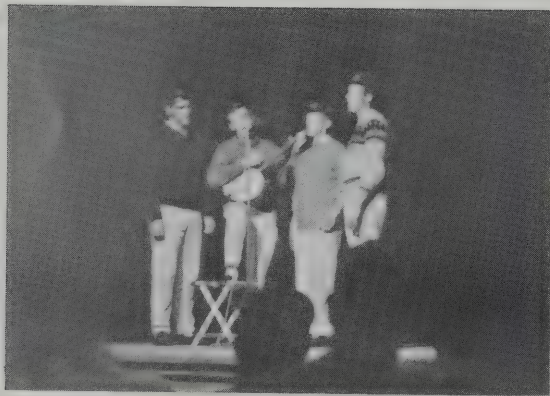

We hope that our dedication may, in a small way, acknowledge the priceless debt that we, the Class of 1966, owe him.

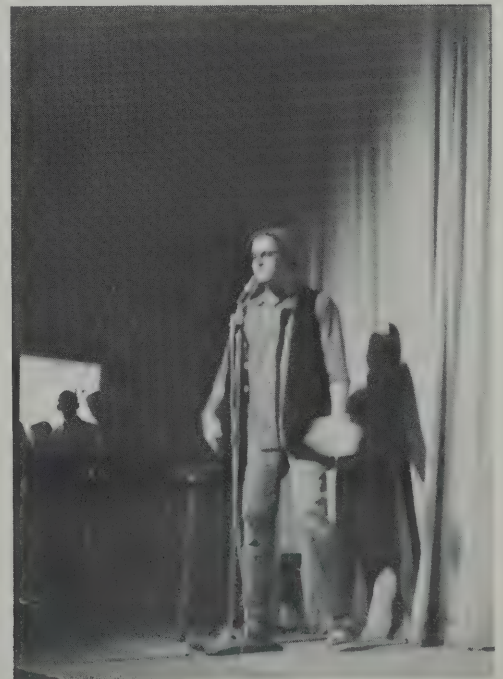

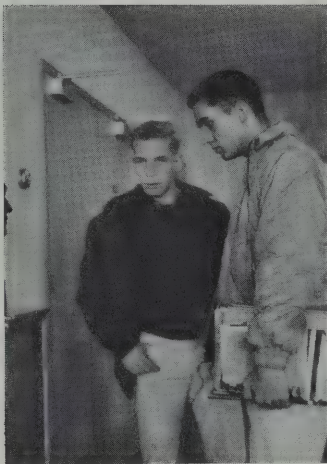

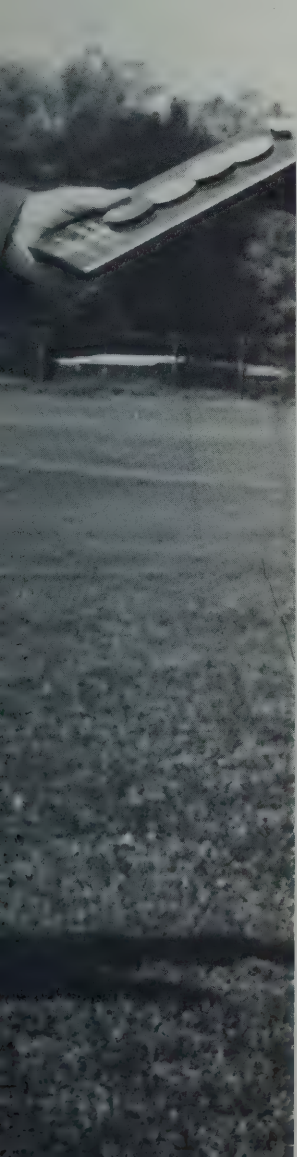

Freshman Week . . . would we make it through four years? . . . someone said three out of five wouldn't . . . we didn't see the sun for the first month . . . some of them won't show, — I'm staying in bed . . . anyone have the last year's test? . . . It's out there! Where Jimmy? Out there in the world of the really real . . . lights out at twelve . . . get some guys and we'll have a game! . . . Wanna go behind the observatory? . . . All the snow! the flood in the spring . . . Quick Draw McGraw . . . the snack bar with Grandma and Dodie . . . the final in Phi. See.

ORGANIZATIONS

STUDENT FORUM

R. Joyce, J. Barna, Pres. J. Kenney, W. Longenecker.

The Student Forum is the student governing body of St. Michael's college. Its responsibilities include student welfare, club status, intramural standings, class elections, and some three thousand dollars worth of activity finances. To foster the responsibilities of student participation in the administration of the college is the principal aim of the Student Forum. To that end, this year's organization, under the leadership of John J. Kenney has progressed very satisfactorily.

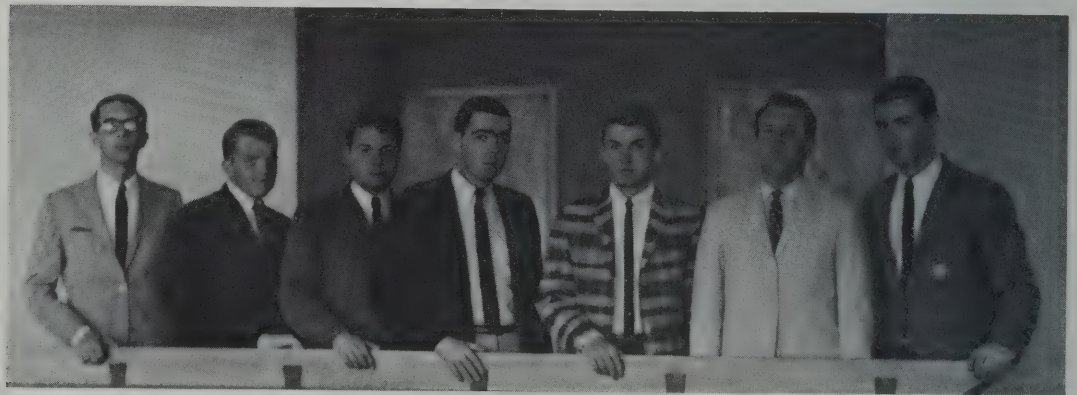

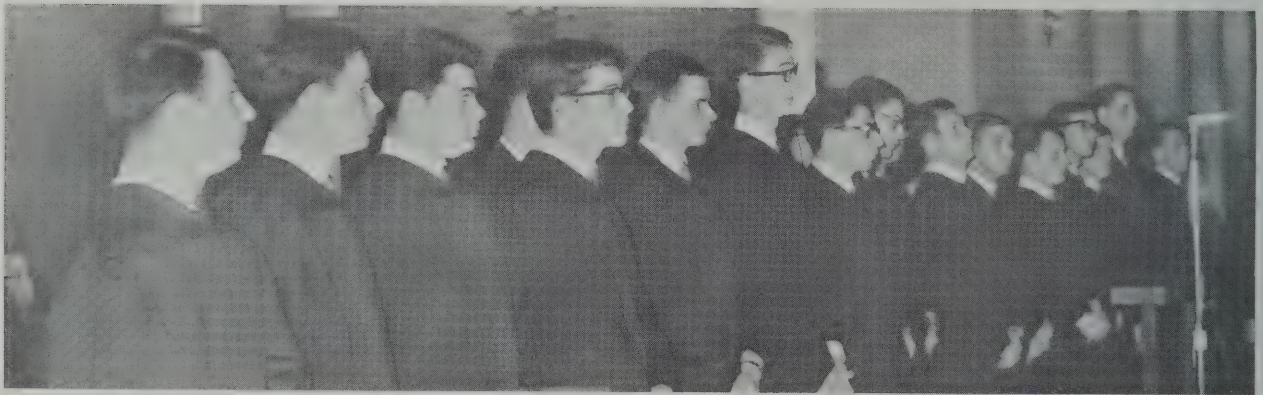

The administration representative to the Forum is Rev. John A. Stankiewicz. For his able assistance the members of this organization wish to express their gratitude.

DELTA EPSILON SIGMA

The Alpha Nu Chapter of the Delta Epsilon Sigma was the first National Scholastic Honor Society on campus. Founded in 1938, it came to St. Michael's in 1939 with the late Dr. Jeremiah Durick, the Rev. Edmund J. Hamel, S.S.E., and Dr. Francis Quinlan as the original Chapter members.

Delta Epsilon Sigma is fostered at St. Michael's to elevate the general tone of the campus and to encourage studying and graduate work. It recognizes academic accomplishments and provides an intellectual meeting ground for its members. Here they are able to meet with their professors on an informal basis and discuss scholarly activities. Those applying for membership, therefore, must not only have a good moral character but also a record of outstanding scholastic achievement for four years of undergraduate work.

P. Filippini, B. Cotton, F. Stuart, M. Mahoney, R. Anton, J. Wisneski, P. DeLuca.

1966

CROWN & SWORD

SOCIETY

Since its inception in 1957, the Crown and Sword Honorary Society, led by distinguished Juniors and Seniors, has noticeably progressed from a service organization to that of campus coterie for worthwhile activities. Traditionally, The Crown and Sword Society has coordinated Freshman Week, the 'Big Brother' program, Parents' Weekend, and has served as ushers for religious, social, and athletic events. Founded primarily to assist the administration, the society, under dedicated and assiduous leadership of its president, has instituted many innovation. In attempting to serve, not only college, but also the friends of St. Michael's a scholarship fund was begun in the fall of 1963 for an underprivileged Vermont student. The society annually raises \$1,000 for this worthy endeavor.

FRONT ROW: A. Ramroth, J. Vacca. **BACK ROW:** V. Puia, J. Carboneau.

The Holy Name Society this year became the largest campus organization. Because of its size one of the chief aims was to get as many members as possible actively participating in its work. An innovation within the Society was the use of floor captains for the purpose of encouraging the entire student body to take an interest in the spiritual affairs on campus.

As in the past the Society sponsored many worthwhile

projects such as the Student Retreat, religious teaching in the area, Vocational Week and the monthly First Friday adoration. Also the Society brought to our campus such interesting speakers as Dr. Ayd, Mr. Cotter, and Mr. Smith.

Members of the Society would like to express great appreciation to its moderator Rev. Nelson B. Ziter, S.S.E. for his careful guidance.

E. Touhey, R. Cervizzi, P. Lakschewitz.

HOLY NAME SOCIETY

R. Coontz, S. O'Sullivan, G. Wright.

YOUNG REPUBLICANS CLUB

FRONT ROW: T. Cummings, L. Dubois. BACK ROW: E. Desautels, J. Breslin.

YOUNG DEMOCRATS CLUB

These clubs are among the newest organizations on campus. They were formed for the purpose of recruiting students who are interested in party organization and politics. The clubs have actively participated in work conducted by both state committees and local headquarters in Burlington and Winooski during election time.

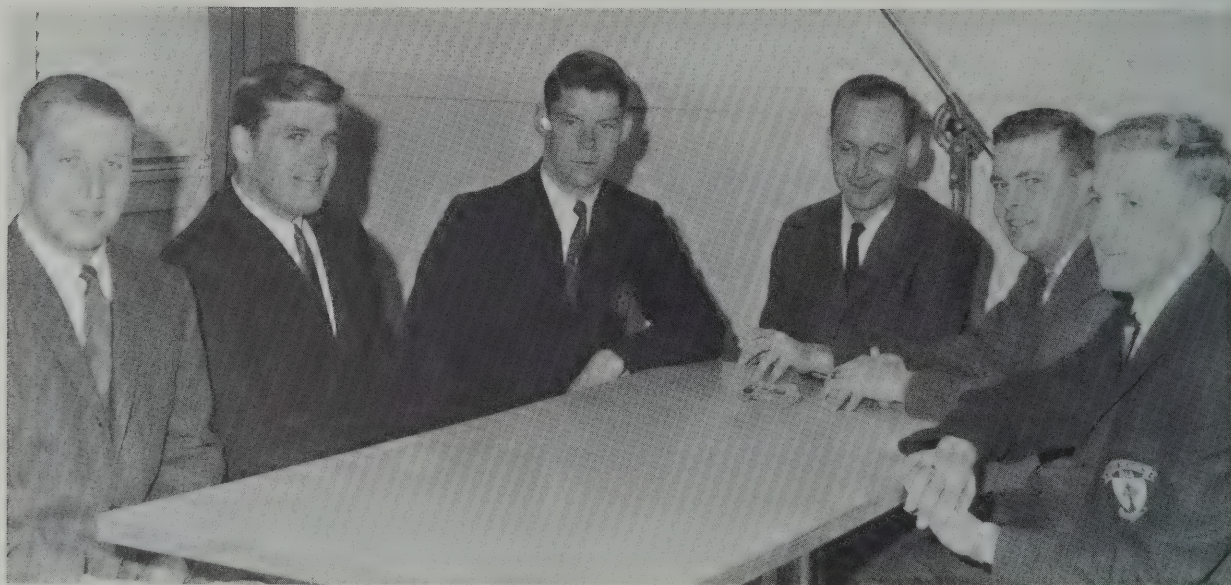

The result of the work done by the members was beneficial to both the state organization and to the members themselves. It gave them a chance to see how campaigns were conducted on both the state and local level and also an opportunity to observe how campaign strategy was formulated. Finally, the members were able to meet and discuss politics with local, state, and national candidates, as well as present political figures.

WSSE

WSSE, now in its twelfth year of broadcasting, is a closed circuit radio station located in Miketown, on the St. Michael's campus. Run solely by the students, under the guidance of William Mazur, the purpose of WSSE is two-fold: first, it is a communications medium designed to give the students a wide variety of listening pleasure; and second, an excellent place for interested students to develop their radio skills and career opportunities.

WSSE's daily schedule consists of block programming designed to give each student an hour of his favorite music, daily coverage of campus news events, and some of the best sports coverage in the area. The station is also noted for its broadcasts of important lectures, its remote broadcasts of Student Forum meetings, and its series of special features, such as student-faculty discussions of contemporary problems.

R. Matis, E. Fennell, G. MacDonald, W. Mazur, W. Stafford, A. Boucher.

E. Fitzgerald, J. Flynn, J. Hutchison, J. Schmidt.

QUEST

The "Quest" is the student literary magazine of St. Michael's College. Its appearance on campus in 1960 came in response to the need for a creative outlet for the student body. With its inception it filled the vacuum left by the death of an earlier campus publication, the "Lance".

In the few years the "Quest" has been in operation, the quality of its writing and layout have improved to the point where the magazine is now a definite campus fixture. Recent issues have featured reviews, award-winning poetry and in-depth criticism; while of late, one of its contributors has gone on to graduate work in creative writing at the Writer's Workshop at Iowa State University.

W. Jaremczuk, Treasurer; R. Anton, President; A. Parent, Vice-President; P. Deluca, Secretary.

The Pre-Medical Society has as its foremost purpose, the promotion and deepening of interest of science students in Biology and its related fields. It also endeavors to provide that information necessary for students preparing for Medical, Dental, and Graduate professions. In addition, the Society encourages those qualities of individual maturity, co-operation and integrity for the benefit of the student and the academic community.

Besides the usual blood-drives and science night, the Pre-Medical Society initiated a first aid program on campus. It also sponsored lectures on alcoholism, hypnosis, and medical research. Dr. Newhall, Professor of Anatomy at U.V.M. Medical School, lectured on the "Metamorphosis of the Medical Student". Dr. Graveline, a former NASA selected astronaut, lectured on "Space Age Medical Research". These programs were not only instructive in the sense of educational guide-lines, but were also extremely inspirational in demonstrating the numerous possible fields of advancement in Biology.

PRE-MEDICAL SOCIETY

The Society conducted instructional programs on recommendations, preparation for the Medical College Aptitude Test and Financial Aid for the Medical Education. The annual visit of the University of Vermont Medical School also included a tour of one of Burlington's hospitals and its various facilities.

ROW 1: H. Amoroso, E. Moitoza, G. Regan, A. Baldo, K. Wisneski. ROW 2: C. Murphy, M. Romanko, J. DesBarres, J. Kadzik, R. Curtiss.

WHO'S WHO

"Who's Who" was conceived 27 years ago with the idea of creating one national basis of recognition for college students. Recognition by this organization means that the student is first officially recommended by the university or college he attends, and then accepted by the organization itself. The criteria used in making selections are academic, citizenship, extracurricular, service to the school, and promise of future success.

This year the class of '66 selected twenty members who were deemed worthy of this honor. Each member receives a certificate of recognition awarded by the organization, and recognition in the annual publication for the year he was selected.

J. Mazzei, R. Dwan, Father Robinson, P. Koch, W. Auty, J. Rinaldi, Father Anderson, G. Kulik.

ELIZABETH CITY TUTORIAL PROJECT

This very worthwhile activity is under the administration of a relatively new addition to our faculty, the Rev. Moses B. Anderson, S.S.E. For the past two years this project has sent dedicated students to depressed areas of the South to tutor students who have exhibited an ability for college work.

This invaluable tutelage is given to young Negro boys and girls who would otherwise be deprived of this vital preparation for college work. Each year St. Michael's College sponsors a "Hootenanny" of college entertainment for the benefit of this project.

ARNOLD AIR SOCIETY

The Arnold Air Society is a national honorary society for outstanding A.F.R.O.T.C. Cadets. The membership is based on character, leadership, civic responsibility, and active contributions to A.F.R.O.T.C. The Champlain John Verret Squadron of the Arnold Air Society has worked to lighten the hearts of the children of St. Joseph's Orphanage, collected for the Heart Fund, and through its Speakers Bureau, has informed local high school students about their military obligations. For the College, the Arnold Air has provided honor guards and ushers at important public functions. The Squadron sponsored Military Weekend in the Fall, and a formal Dining-In for advanced corps Cadets in the Spring. Now that A.F.R.O.T.C. has become voluntary, the Society will act as the A.F.R.O.T.C. recruiter on campus during Freshman Week.

ROW 1: H. Daigle, M. Jacobs, K. Maloney. ROW 2: W. Ridolfi, E. Moitoza, S. Howard.

K. Maloney, T. Neiman, A. Batten, A. Barber.

DISTINGUISHED MILITARY GRADUATES

This is a special award granted to senior cadets who have continuously performed in an outstanding manner during all phases of the Air Force Reserve Officers Training Corps Program, and who have remained in the upper twenty percent of their academic class. These cadets are awarded this distinction upon graduation from St. Michael's College, and it carries with it the eventual granting of a regular Air Force commission.

MILITARY REVIEW

CHEMISTRY CLUB

The Chemistry Society offers activities to meet the needs of those students whose primary interest is science and who intend to pursue graduate studies or enter directly into industry in the field of chemistry. It also provides activities to supplement course studies in chemistry. The Society has held its annual "Science Night" for the high schools of Vermont. The field trip to Shell Oil in Montreal, Canada, provided an interesting insight into the oil industry. The Chemistry Society is a member of the American Chemical Society — Student Affairs Division.

R. Myhalyk, President; M. Mutter, W. Walsh.

H. Mancini, P. DiGiacomo, W. Kmon.

KNIGHTS OF COLUMBUS

Soon to enter its seventh year, the John Verret Council of the Knights of Columbus, is the largest organization on campus. Under the leadership of Joseph Reynolds, the K of C has done much to foster their "Six-Point Program," especially in Catholic, Fraternal, and Youth Activities. Among these were the Halloween, Christmas, and Easter parties for the St. Joseph orphans. They also purchased toboggans for these needy children. The Society helped raise money for the Heart Fund and donated to the Elizabeth City Tutorial Project.

ROW 1: J. Reynolds, Grand Knight; ROW 2: W. Stafford, A. Baldo, J. Grant.

ROW 1: W. Walsh, Father Duford, G. Hague. ROW 2: G. Regan, D. Murnane, B. Frederici.

M I C H A E L M A N

The physical expansion of the campus and the influence of the new 'awareness' has caused great changes in the interests of the students. The **Michaelman** has served as an adequate journalistic channel for these issues. It has remained an instrument for communicating the opinions of the students. The editors believe that the only way one may hope to solve a problem is to bring it before those concerned — the students. Areas which were formerly considered sanctum sanctorum are now discussed openly and freely.

The **Michaelman** holds its portals open to anyone who

M. Mahoney, Editor; J. Kenney, Associate Editor; F. Stuart, Associate Editor.

R. O'Sullivan, Sports Editor; J. Wisneski, Sports Editor.

wishes to use it. The opinion of any one man is worthwhile if it concerns the general welfare of the rest. Controversy and criticism are raised, of course, but only in a constructive vein.

The campus weekly brings the news, which concerns the students, to them, news of sports, social activities, job opportunities, lectures, insights on campus personalities, and the facts behind the current objects of discussion among the students.

The editors of the **Michaelman** believe that the paper

is the property of the student body and that they are working in the service of the student body. Whether the matter concerned is the cafeteria or academia, the **Michaelman** always tries to get to the heart of the matter. The idea of an open forum is what this newspaper promulgates in the belief that open discussion is healthier than private grumbling.

The ideals of the paper have always been high, and because the editors of this paper have remained true to them, one can rightly commend them for a job well done.

DRAMA CLUB

The Drama Club has been a productive organization for four years at St. Michael's. It has already established a fine reputation for high quality productions and stimulating Workshop activities. Under the guiding hands of director Donald Rathgeb and the special coaching assistance of Mrs. Rathgeb, the club has performed challenging plays of wide variety. In conjunction with the music department two successful musicals were presented: "Brigadoon" and "Where's Charlie?" The club's repertory was enhanced with the Shakespearean works: "Much Ado About Nothing" and "Comedy of Errors." Contemporary writers have been well represented with last year's "The Sign of Jonah," and more recently, Samuel Beckett's "Waiting for Godot." Interest in Medieval drama was stirred by last year's "Everyman." This season's Workshop in the Theater of the Absurd, including the acted reading of Edward Albee's "The Sandbox," was well received by our public. Other Workshops in stagecraft, acting, production and directing have aided serious performers in the training of theater arts.

S. Mayo, President; A. Batten, Production Manager.

W. Bergin, President; F. Stuart, Vice-President; J. Gelinas, Secretary; P. Doucette, Librarian.

GLEE CLUB

The St. Michael's College Glee Club has again this year proved itself the outstanding choral group in the East. Realizing that the true spirit of St. Michael's is to achieve discipline in the Arts, the Glee Club under the able direction of Dr. William Tortolano has expanded its repertoire to include such works as "Psalmkonzert," the "Missa Prima," sung in Chinese, and the "Liebesleider Waltzer" sung in German.

The club has had many concerts this year, highlighted by trips to New Rochelle and Boston. This year, the club was honored by being chosen to sing the John F. Kennedy Memorial Mass in Boston on November 22, 1966.

DEBATING CLUB

The Debating Club, which fell by the wayside in 1961, has been progressing very well for the past two years, under the aegis of Mr. Charles O'Brien of the Humanities Department. Having refined forensic techniques, the club re-entered intercollegiate competition with an invitation to compete at the McGill International Debate Tournament in Montreal.

The club is composed mainly of students who are politically minded and who are planning their studies with an eye towards a career in Law. It is generally assumed that experience in debating is invaluable background for any career, especially that of Law.

J. DesBarres, C. Murphy, J. McNeil, D. Santore, G. Sousa.

ROW 1: W. Wilson, Treasurer. ROW 2: E. Hult, Secretary;
P. Murphy, Treasurer; S. Branon, Vice-President.

POLITICS CLUB

The Politics Club is one of the largest on-campus organizations, having more than sixty members. Its principal aim is to raise the level of appreciation of Law, of Politics, and of International Relations on campus. In conjunction with the International Club, a round table discussion was held to explore the reasons for African criticism of United States rescue operations during the Congo crisis.

The Politics Club is a vehicle of communication which serves not only to coalesce student opinion of various issues, but which also promotes understanding between the American and foreign students here at St. Michael's.

T. Menchion, Treasurer; R. Bussiere, Vice-President; W. White, Secretary.

MODERN LANGUAGE BUSINESS FORUM

The Modern Language Club is designed to make the students of St. Michael's College, who are studying a foreign language, and anyone else showing an interest, as cosmopolitan as our resources permit. Striving for a better understanding and fuller appreciation of foreign cultures are the essential aims of the Club.

In pursuit of these goals, a cultural trip to New York City was sponsored. **Moliere's L'Avare**, presented by La Comedie Francaise, was seen at the New York City Center. Not more than two weeks after Sholokhov received the Nobel Prize for his book, **The Quiet Don**, St. Michael's had the pleasure of hearing Dr. Natalie Pomar discuss both the book and the author's life. The Foreign Film Festival presented three outstanding motion pictures, **Antigone** (Greek), **Eclipse** (Italian), and **A Summer to Remember** (Russian). Among the various exhibits displayed in the library were Victor Hugo's **Les Miserables**, **Port Royal**, and **Moliere**. During the course of the year a lecture on the "Development of French Comedy", and a movie, **La Chartreuse de Parme** were extended by the University of Vermont to the members of the Club.

ROW 1: M. Reiker, President; J. Norris, Vice-President. ROW 2: G. LaFlamme, Treasurer; W. Spring, Secretary.

The Shield is the St. Michael's College Yearbook. Under the editorship of Guy LaFlamme and John Dowley, a staff of ten men worked assiduously all year toward, Shield 1966. Among the several unique additions to the book this year are a Cultural Section, a Memorabilia Section, and a general emphasis on senior activities.

Another noteworthy achievement was the design of a yearbook cover and emblem which will be used on subsequent editions of The Shield. Missing when pictures were taken but valuable members of the staff Thomas Basti, Senior Section Editor and David Szady, Photographer.

ATHLETICS

VARSITY BASKETBALL

The 1965-66 season of Purple Knight Basketball was one of the most thrilling ever in the area. Although it figured as a rebuilding year for Ed Markey's squad with four of the starters from the previous year's championship squad gone, Saint Michael's wound up with a highly successful 16-10 record.

The Knights were badly beaten only by NCAA-bound squads, Rhode Island and Long Island University. They showed a fantastic ability to come back and they gave their fans many thrills and perhaps a few ulcers.

After losing to Rhode Island by a large margin and dumping Clarkson 80-72, the Knights dropped a heart-stopper to Holy Cross 56-52 in a game that went down to the wire.

SMC was then upset by unheralded Adelphi 92-77. Smarting from this loss, they came back to trounce Middlebury 102-79 and St. Lawrence 75-67.

The AIC Christmas tournament followed during the holiday break. The Knights started to jell as a unit and grabbed third place by nipping Colby 80-78 and Trinity in double overtime 91-85. They lost to Springfield 85-70.

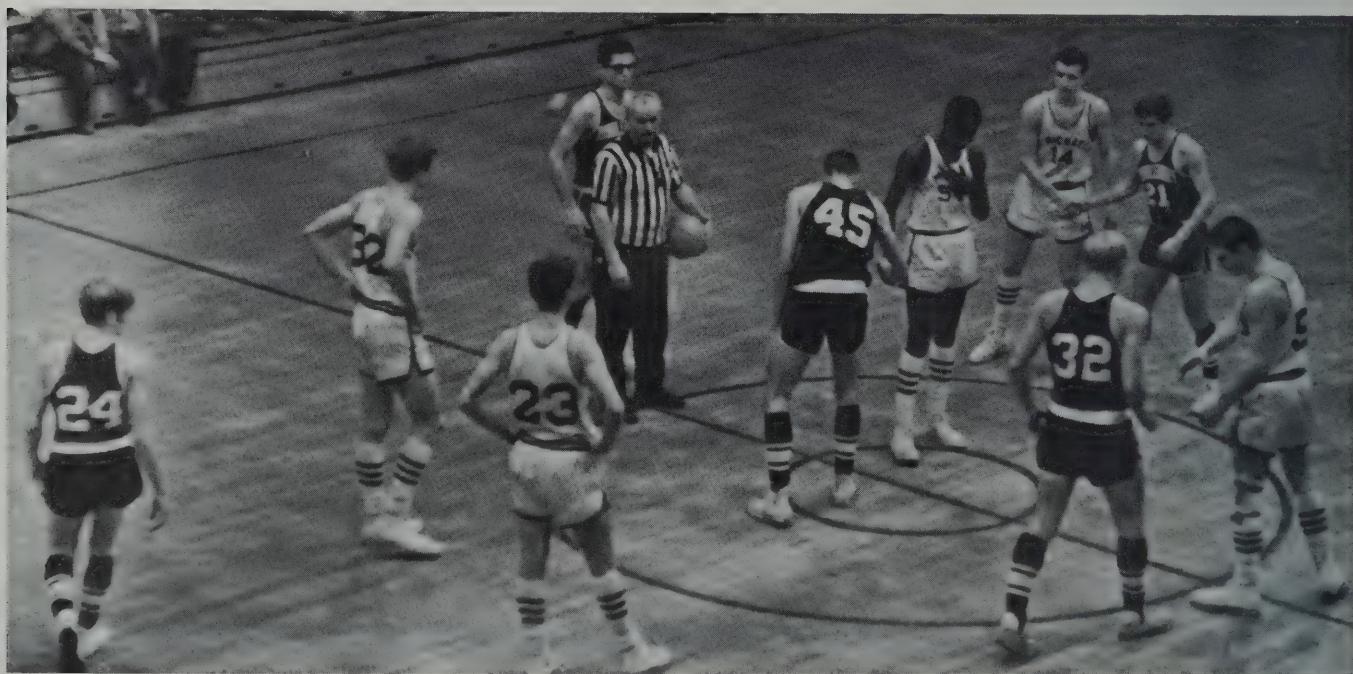

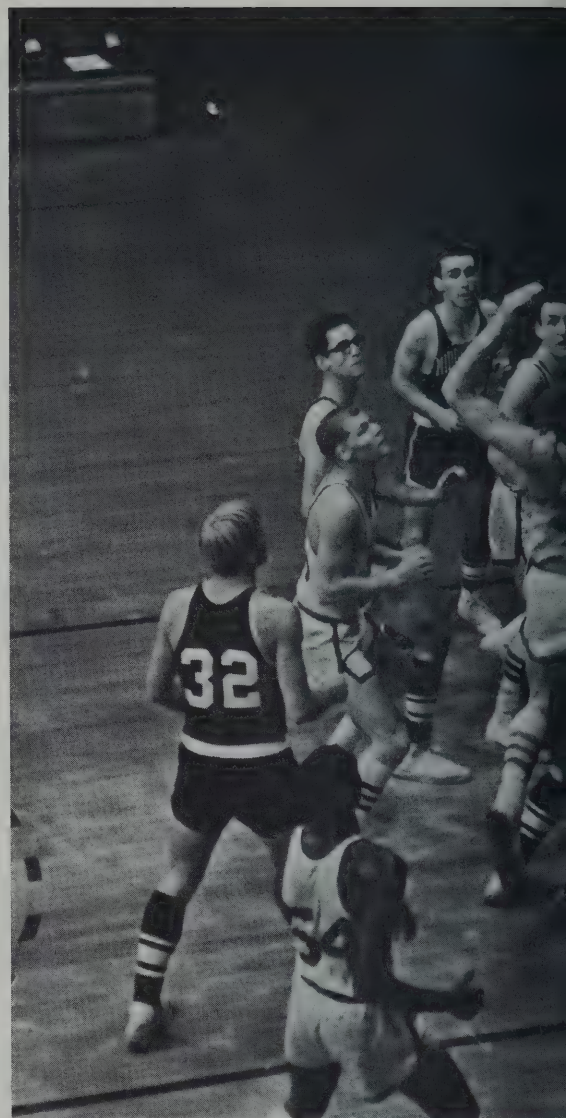

The Knights were drubbed by LIU 85-68, then went on to an amazing string of tight ball games. The first one was an 80-74 victory over Stonehill. The highlight of this game was Dick Falkenbush's defensive job on high-scoring Ron Richard whom he held to eight points while Dick scored 28 himself.

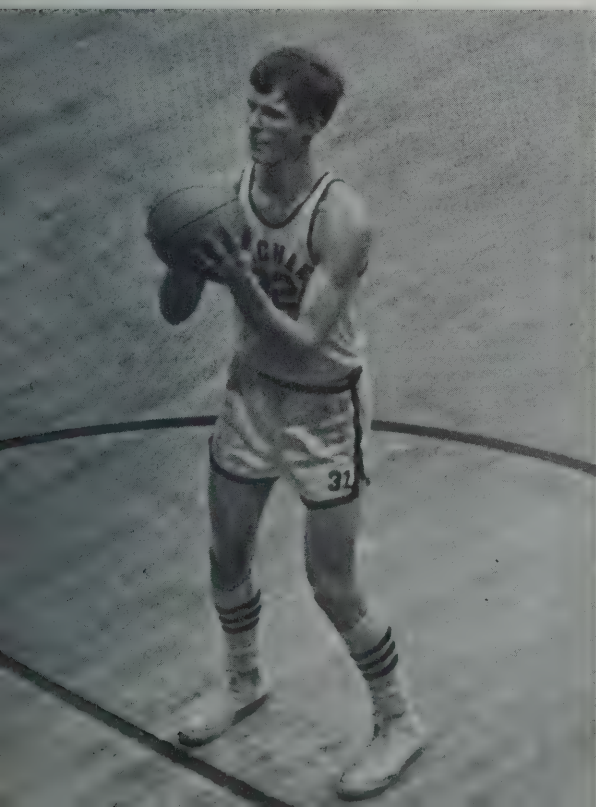

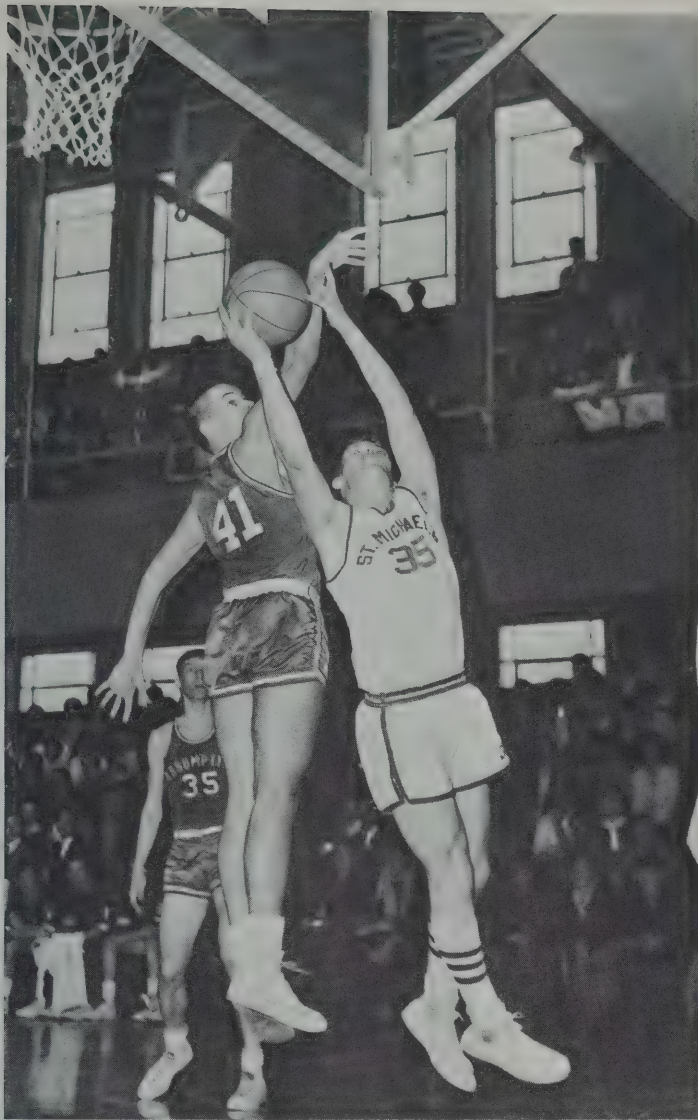

SMC replayed Colby and beat them 72-68 on Jim Dooley's clutch shooting. The Hilltoppers traveled down to Norwich and after being down 18 points with only twelve minutes left, beat them 83-78.

The Saints upset highly favored St. Anselm's 68-67, again on Jim Dooley's fine outstanding shooting. The stage was then set for a clash at the Auditorium with Central Connecticut which represented New England in the NCAA Tournament. CC went ahead 16 points and the Knights pulled one of their stretch runs and closed the spread to 4 before losing 88-81.

Hartwick was then next opponent and in another heart-stopper the Saints won in double-overtime 72-68 on Falkenbush's clutch foul-shooting. Number 1 ranked Assumption came into town for a showdown. It was a typical game with SMC getting far behind and then making a last minute rush before dropping a squeaker 85-80. Bruce Stryhas led the Saints with some hot second half shooting.

Merrimack provided a respite for the team in an easy 95-50 win. In their next game, Saint Mike's battled cross-town Vermont. In this game, sophomore Dave Gleason came off the bench and hit some important shots to help the team. It was SMC 76-71 in overtime.

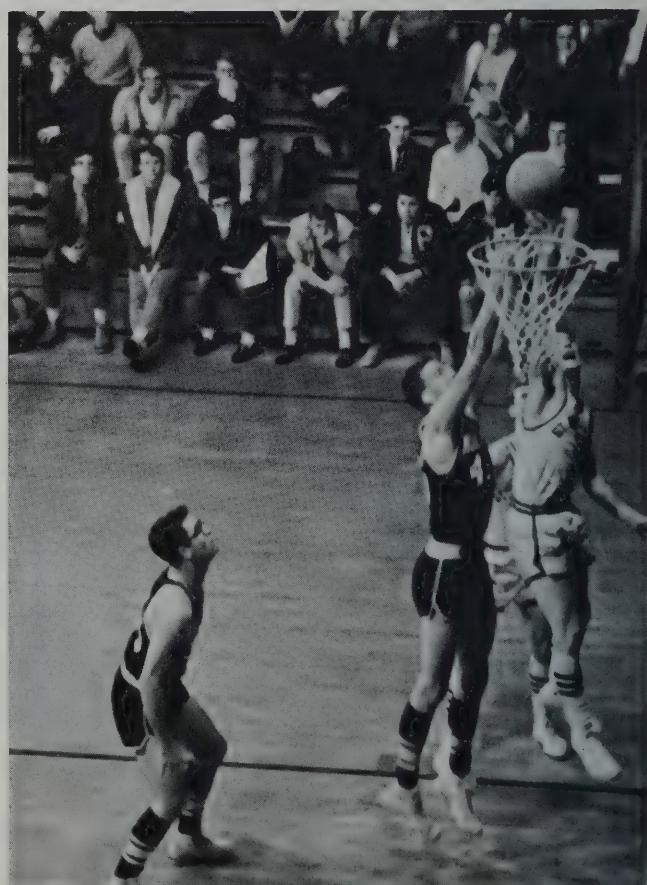

STANDING, Coach Markey, S. Tilton, B. Stryhas, R. Joyce, R. Navin, D. Gleason, K. Juall. SITTING, R. Herman, R. Kryger, J. Dooley, R. Falkenbush, T. McKenna, R. Coleman.

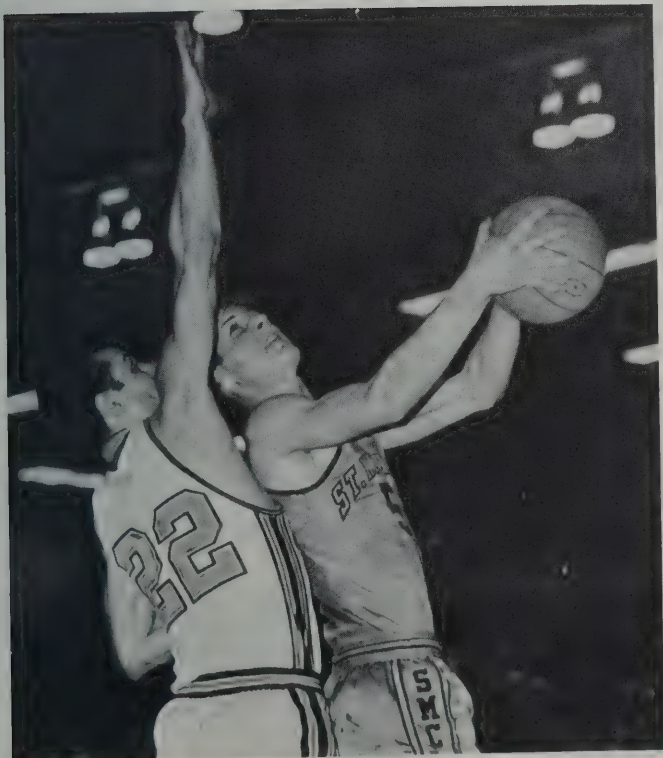

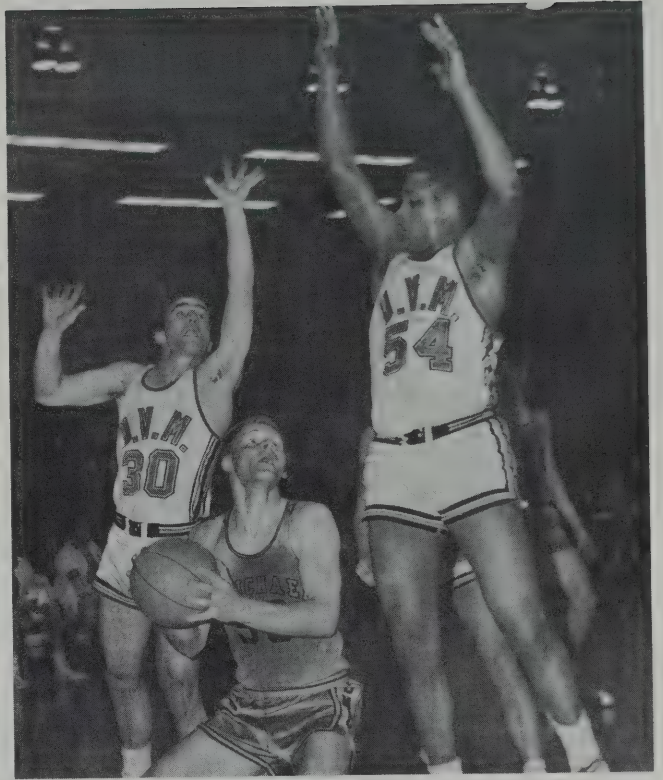

Traveling to AIC the Hilltoppers were dropped after a late rally failed, 77-73. Bobby Kryger grabbed 19 rebounds and Bob Joyce scored 22 points in the second half. The Saints then whipped Norwich 93-84 with Sophomore Ralph Coleman stealing the show with his rebounding and shooting.

Another gallant try went down the drain against Le Moyne as Saint Michael's dropped a 75-73 ball game. The University of Vermont came back seeking revenge and upset the Knights 93-92 in double overtime.

The final two games saw coach Ed Markey use a running style of ball to see how his young ball club would react. The team came through handsomely. They beat New York Tech 113-87 to set a new school scoring record and in the final game the Saints beat Hartford 106-93.

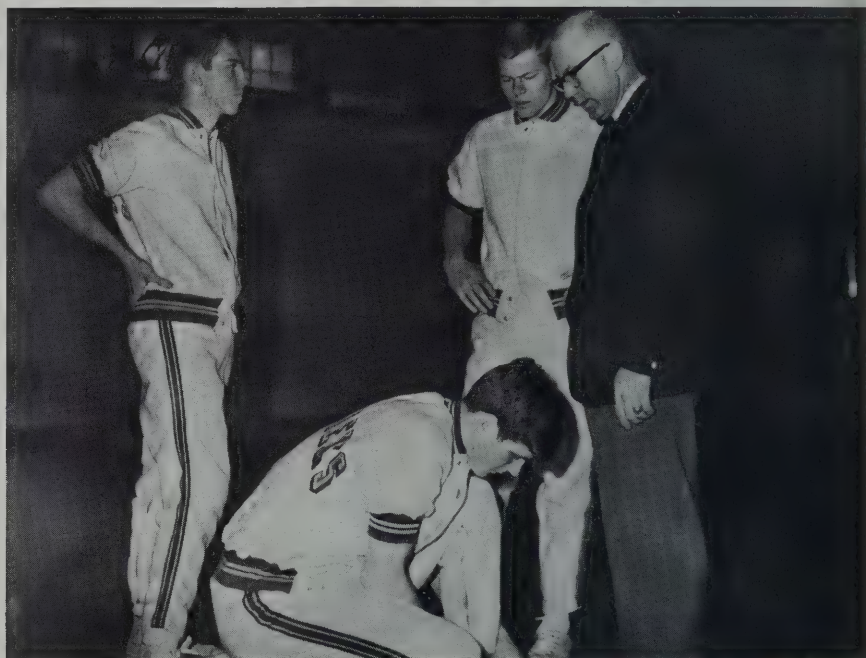

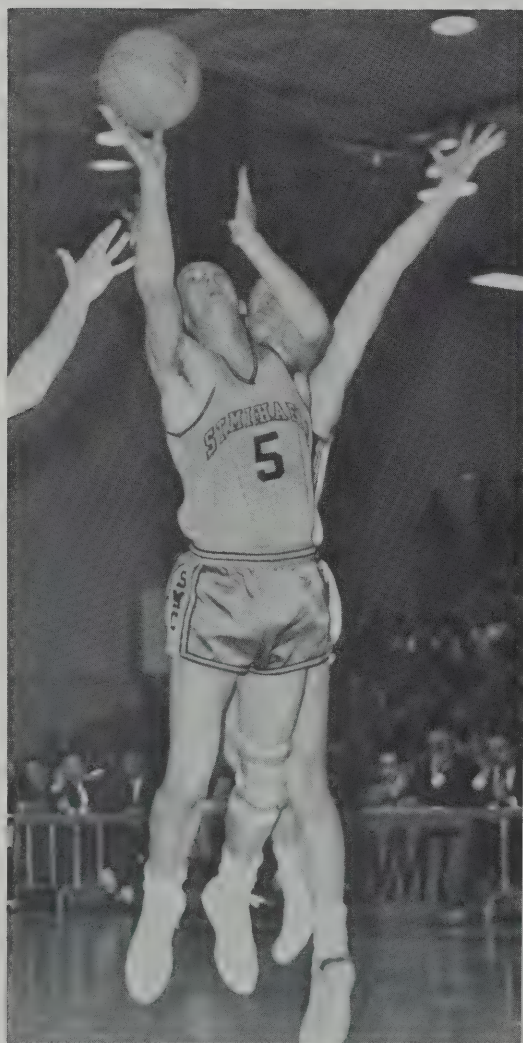

Jim Dooley was the lone senior on the squad and "Dooles" played well and will be missed. The team developed well and with sophomores Ralph Coleman, Tom Mc Kenna, and Dave Gleason, Dick Navin, Bob Joyce and Roger Herman coming along to help Bobby Kryger, Bruce Stryhas and Dick Falkenbush who was voted All-New England. It was the 11th straight year we won or tied for the Vermont title.

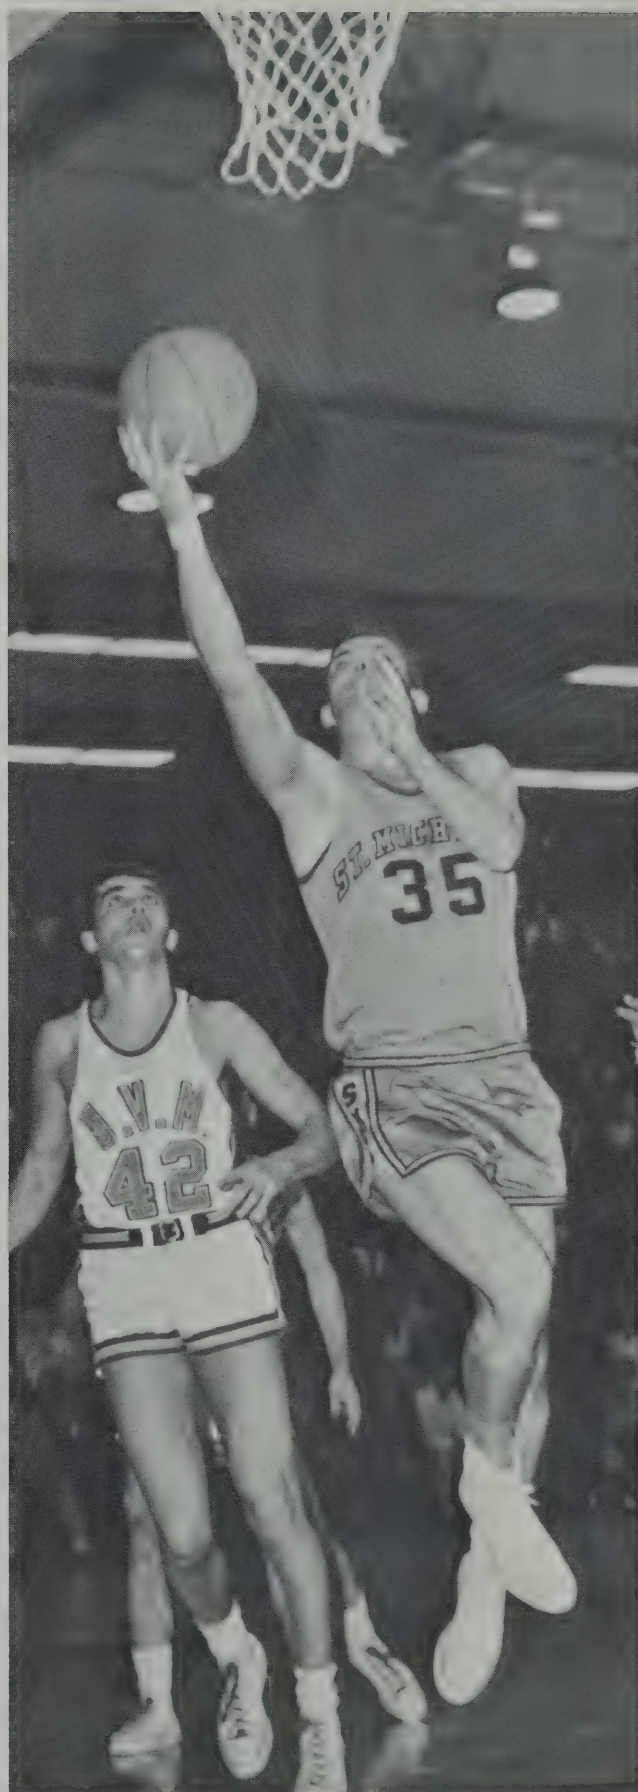

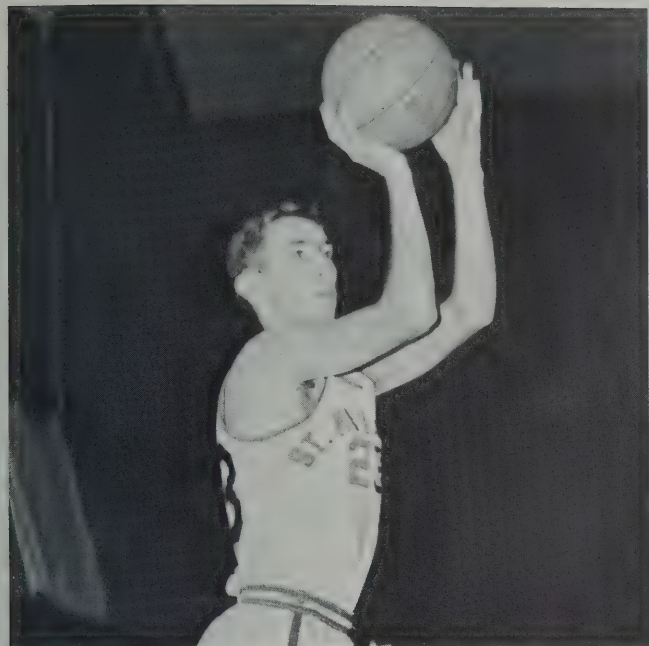

Player	Number Games	Field Scored	Goals Atts.	Freethrows		Rebounds		Points	
				Scored	Atts.	Number	Ave.	Num	Ave.

FRESHMAN BASKETBALL

ROW 1: R. Trenti, R. Healy, G. Hand, R. Loconto, R. Wentzell. ROW 2: E. Bove, J. Manchester, M. Moore, M. Connors, Coach E. Kryger, S. Pelletier, L. Capilla, C. Madden, W. Braeuer.

VARSITY SOCCER —

After a rather disappointing start, the 1965-66 St. Michael's College Soccer Team won three of its last five games to finish a building year with a 3-7 won — lost record.

The twenty man squad began the season with five straight losses under first year coach Tony Jaremczuk, a former SMC soccer star. The Saints lost in succession to St. Lawrence (5-0); Norwich, twice (3-1) and (3-2); Vermont (6-1); and Lowell Tech (3-0).

However the booters headed off what could have been a disastrous season with an 8-0 bombing of Babson Institute. Sophomores Ray Pentkowski and Jim Ryan sparked the Knights to the big win with their fine defensive play and SMC continued to play fine ball the rest of the season.

A heartbreaking 4-3 loss to Plattsburg State in overtime was followed by a 4-1 triumph over AIC in a game which featured three goals by Junior Mike O'Brien of St. Michael's.

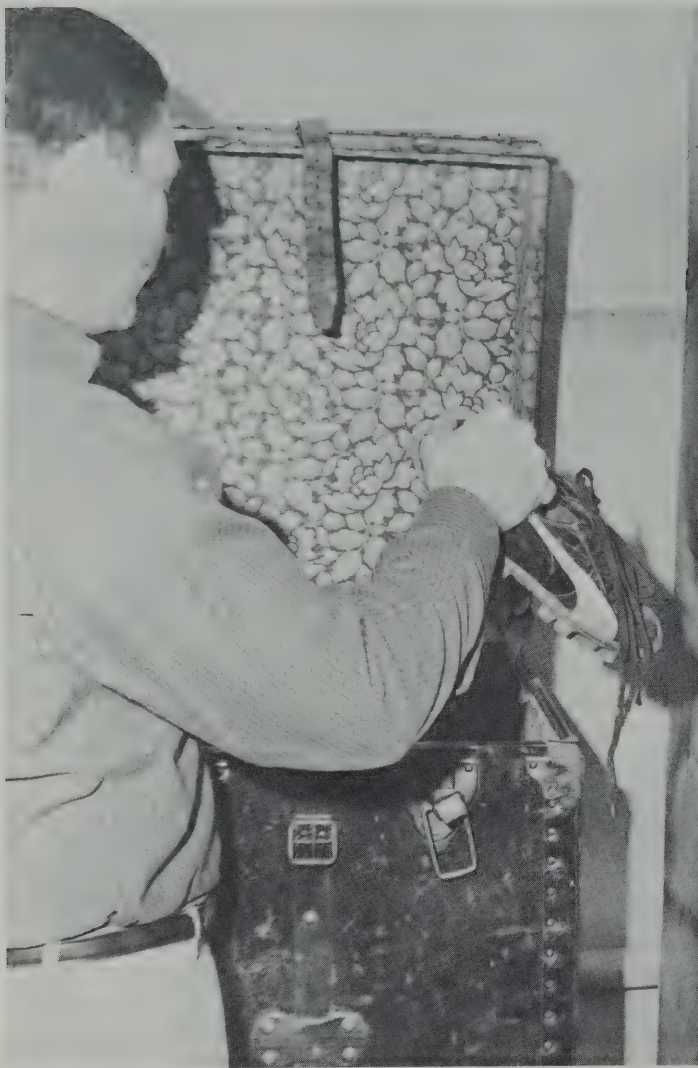

The last two games of the season were at home and the Knights gave Coach Jaremczuk his first home win of the year with a thrilling 7-4 double — overtime win over Castleton State after a 3-0 loss to a strong Nichols College squad. Senior Bill Jaremczuk was the hero of the Castleton game as he scored four goals, including one in the last minute of regulation play to send the game into overtime. The four goals in one game by Jaremczuk set a school record.

Junior goalie Bob Dunshee was a mainstay in the St. Michael's lineup all season long, as he came up with 168 saves and stopped three of the seven penalty kicks against him.

Senior fullback Jim Donald, Junior Vito Angelillo, and Sophomore Tim Shea were other big contributors to the fine team effort of the Knights over the second half of the season.

Coach Jaremczuk, although he will lose his brother Bill and Jim Donald through graduation this year, has an experienced team returning full of bright prospects for a winning and exciting brand of soccer on the Hilltop next Fall.

INTERCLASS FOOTBALL

The Class of '66 captured the interclass football league title. League patsies for three years, the '66ers suddenly became monsters of the midway.

The season hardly started auspiciously for the Seniors as the Junior aerial combination of John Carbonneau and Phil Doherty clicked for two long TD's in a 12 - 2 win over the Seniors. It looked like the old epithet — fine defense, punchless offense could be applied to the disorganized '66 team. However, this view was discredited in the next game. In this game a hard hitting Sophomore team built up a 13 - 0 lead over the Seniors before bowing to an 18 point Senior second half. Bob Buchino hit Kevin Gokey for two scores and connected with Dick Curtiss for the clincher with just 32 seconds left on "Doc" Jacobs' clock.

The Sophs posted their first win of the season, defeating the Frosh 8 - 0 in a hard-fought defensive battle. The Juniors cemented their hold on first place with a come from behind 19 - 7 victory over the Sophs.

Probably the biggest game of the year was the second meeting between the Seniors and Juniors. The '66ers built up a seemingly insurmountable 18-0 lead on the strength of two touchdowns by Dick Curtiss and one by Kevin Gokey. However, some fine running by Carbonneau and pass receiving by Doherty registered 13 second half points for the Juniors. Al Schultz saved the game for the '66ers by coming up with four second half interceptions.

REAR: J. Ryan, Coach; J. Schunke, C. Daley, B. Hult, A. Schultz, S. Supinski, T. Neiman. **FRONT:** D. Hartig, W. Archacki, S. O'Rourke, J. Lee, T. Barber.

League action continued with the Sophs hammering out a 20 - 6 decision over the Frosh. The Seniors compounded the Frosh woes by drubbing the '69ers 34 - 6. Dick Curtiss was on the receiving end of two Jerry Wisneski and two Bob Buchino aerials. John Henry O'Brien added the fifth TD on the OB special over right guard. The Sophs felt the sting of the '66ers multiple offense, dropping a 20 - 7 duke to the Seniors. Fleet flanker George Bafundo and safety Chuck Daley were outstanding for the Seniors.

A lot of the credit for the Seniors win has to go to coaches Ed Moitoza, John F. Ryan and Jerry Wisneski. The fine offensive line of Fred "Bear" Severni, Bill Tmay, John Rachek and Mike Jacobs helped the Seniors to become the highest scoring club in league history. Quarterbacks Bob "Booch" Bucchino and Jerry Wisneski provided pin-point passing. Blocking backs Dan O'Brien and Ed Moitoza were effective blockers and crunching runners. Ends Dick Curtiss, Kevin Gokey, George Bafundo and Bruce Nolan were the class of the league.

On the Defensive team, pass rushers Don Hartig, Kevin Sullivan, Tom Barber, and Walt Archaki spent a great deal of time in the opponents' back-field. Linebackers Stan Supinski, Steve O'Rourke, John Schunke, and Tom Neiman were equally adept at stopping running plays and screen passes. As a trio defensive backs Steve Spahn, Chuck Daley and Al Schultz led the league in interceptions.

SKIING

The 1966 edition of the St. Michael's Ski Team completed a very successful season. It was the first year that any Catholic College ever had a ski team compete in the Class A Division. St. Mike's received this honor by capturing second place in the Class B Championships held at Colby College in Waterville, Maine.

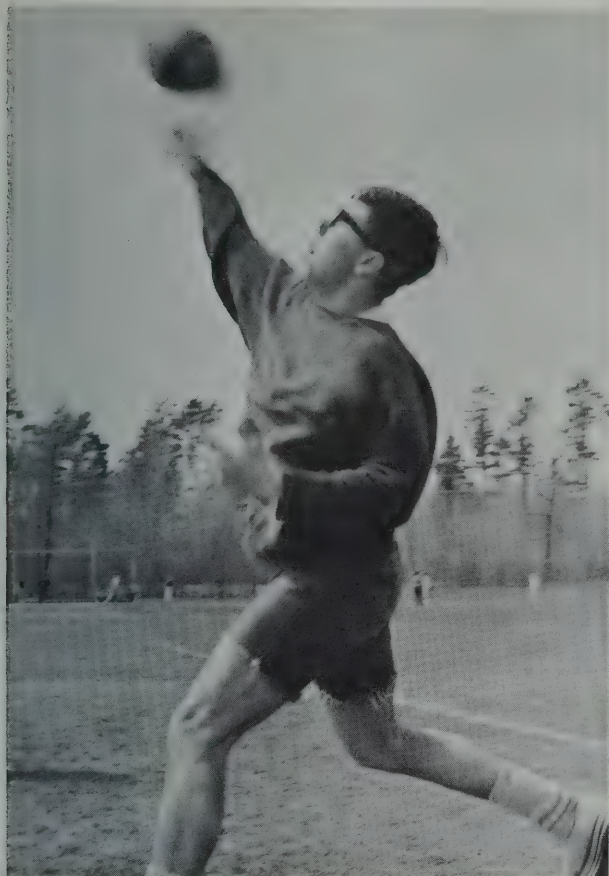

In order to stay in the Class A Division, the Class B teams must finish in one of the top eight positions with eleven competing teams. St. Mike's finished tenth but was not able to score well at Middlebury because of several injuries. In a span of three weeks, five skiers on the Alpine team suffered injuries which prohibited their competing for the rest of the season.

Senior Coach James "Mike" Welch and Junior John Woodworth suffered injuries at the Colby Meet. Sugarbush offered only bad sprains for Steve Reynes and Captain Dave Irish. The team then lost the services of Charles "Frank" Mc Clairn.

Junior Neil Clark gave a strong steady performance as did Sophomore Billy Wilson. Seniors John Murphy and Mike Murphy who joined the season at the half way mark, turned in commendable performances.

The Nordic Team was composed of Seniors John Butts, Michael Murphy, Michael Welch, Michael Storlazzi, John Murphy, Juniors — John Woodworth, Neil Clark, Dave Irish, Sophomores — Billy Wilson, and Charles Mc Clallen.

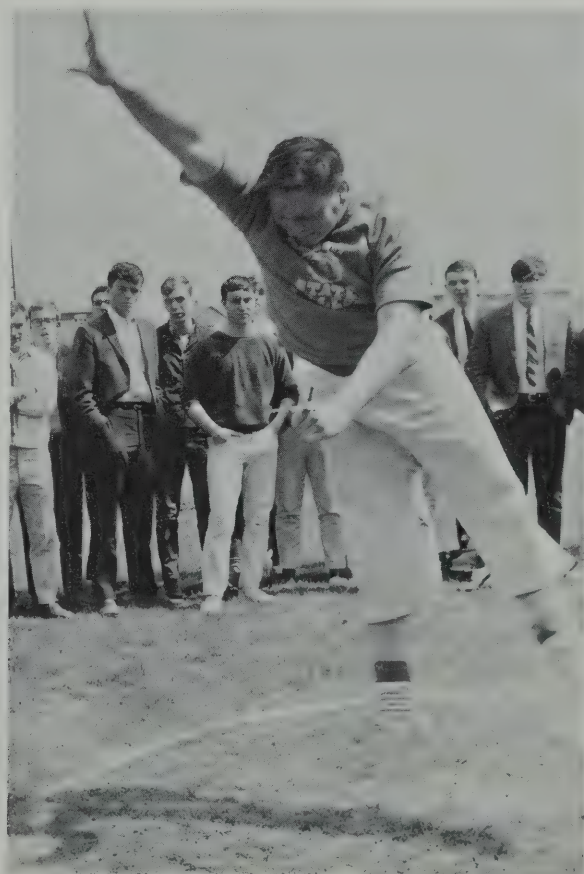

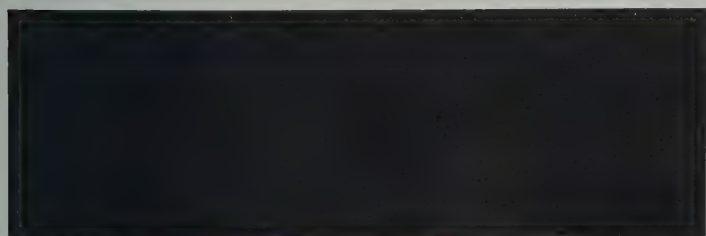

INTERCLASS TRACK

The Junior Class Won the Interclass track championship in an overwhelming team victory. The individual winners for the Class of '67 were; Dick Falkenbush in the Baseball and Football throws; John Carbonneau in the 200 yard dash. In the relay, the Juniors placed first on a strong surge by Gene Belsole.

Winners for the other teams, included Seniors Bill Schnitzer, discus, and George Bafundo, base running; Sophomore Roger Herman in the shotput and Freshman James Stehn in the mile run and Mike Kowalski in the football punt.

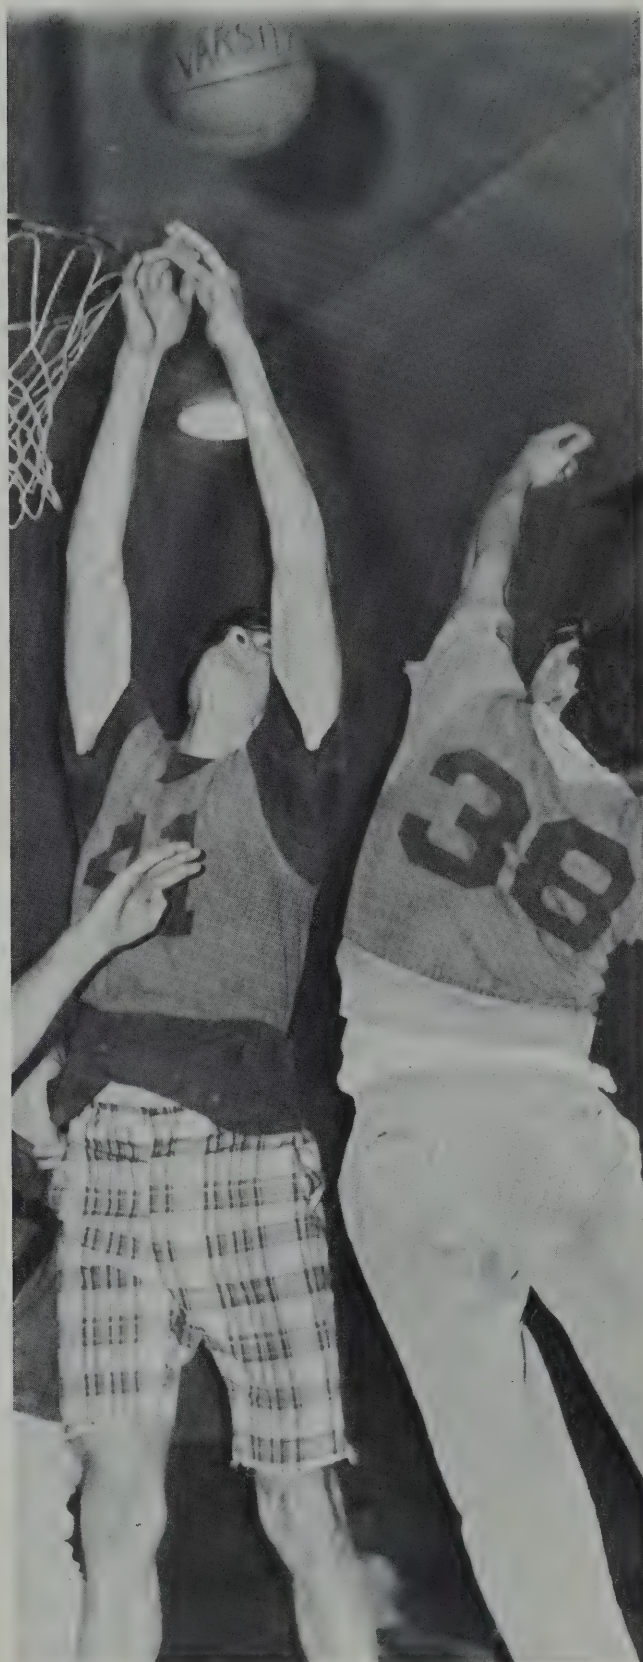

INTERCLASS BASKETBALL

The Juniors won an unprecedented fourteen straight ball games and accomplished what no other intramural basketball team had been able to, by going unbeaten through the course of the season. Led by the high scoring Phil Taylor, they displayed too much firepower and depth for the rest of the league to handle. With Chris Balik, Phil Doherty and Bob "Flip" Dunshee controlling the boards, and Phil Taylor, Pete Tarrant along with Jim Cerasoli scoring from the outside, the Juniors were virtually unstoppable.

The injury-plagued Seniors managed to give the Juniors a considerable amount of trouble over the second half of the season but lacked sufficient depth to pose any great threat to the Junior reign. Dan Keefe, Dick Curtiss, Kevin Gokey, Stan Supinski, Mike Romanko, Bob O'Sullivan, George Bafundo, and Bruce Nolan all saw considerable action over the course of the season for coach Kevin "OL" Sullivan of the Seniors. The Sophomores after a quick start faltered and had to be content with third place behind the Juniors and the Seniors.

As is usual the hapless Freshmen managed a 1-13 season, but displayed a great deal of hustle and desire.

VARSAITY GOLF

The Saint Michael's College golf team got off to a very promising start in the fall at the E.C.A.C. meet in Rhode Island. However, because of a late spring and tough state competition the season turned out to be an average year.

At Rhode Island, Keyin Gokey and Bill Walsh led the field of all the New England qualifiers with rounds of 72 and 73 respectively. The team, which was composed of Walsh, Gokey, John Schunke and Joe Zelenski, came in third at Rhode Island.

The team for the Vermont State Meet was composed of three returning lettermen: Bill Walsh (senior), Kevin Sullivan (senior), and John Schunke (senior), and four sophomores: Rick Sorenson, Pete Duffy, Kevin Deary and Joe Zelenski. Dick Falkenbush, St. Mike's basketball ace, was the only Junior on the squad. After the U.V.M. match was postponed, the Knights started the season by knocking off Clarkson 4-3 on their links. Plattsburg was next and it looked like the road to another state title. However, in the next tri-meet against Vermont and Dartmouth the Knights were only victorious over Dartmouth, dropping the U.V.M. match 4-3.

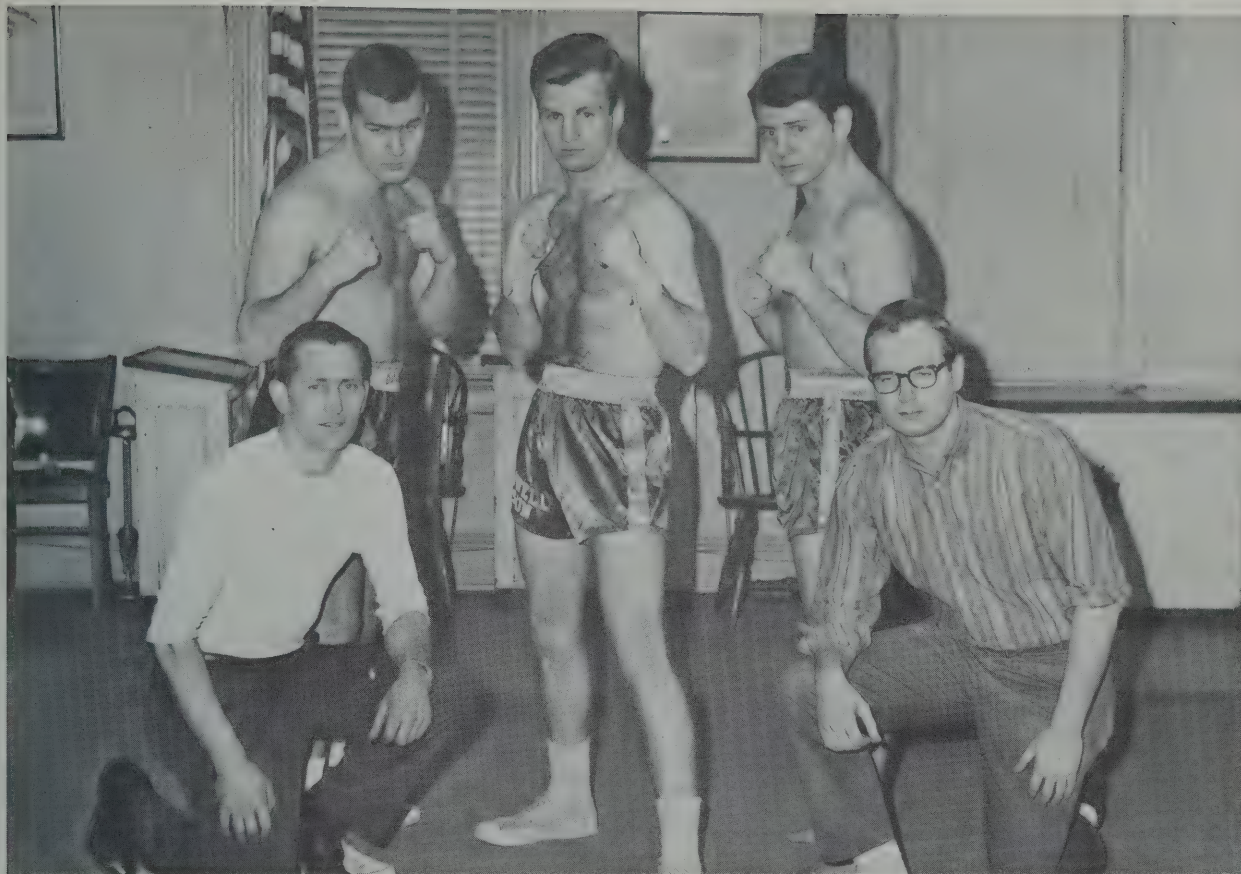

Rain prevented any more play until the State Meet at Middlebury. For the first time in five years the Knights lost, coming in third behind Middlebury and Norwich. Medalist for St. Mike's was Kevin Sullivan with a 77.

The rest of the season was washed out for the Knights. The match with St. Lawrence was canceled. Because of bad weather, the Knights played only one round at Portland, Maine in the New England finals. The final match of the year was against Norwich which the Knights dropped 5 to 2.

With four Sophomores on the squad, St. Mike's can look forward to Golf Teams which are more in keeping with previous St. Mike's records.

J. Zelenski, K. Gokey, Coach "Doc" Jacobs, W. Walsh.

STANDING: J. Carcich, M. Armstrong, A. Schultz. **KNEELING:** A. Shangras, V. Basile.

BOXING

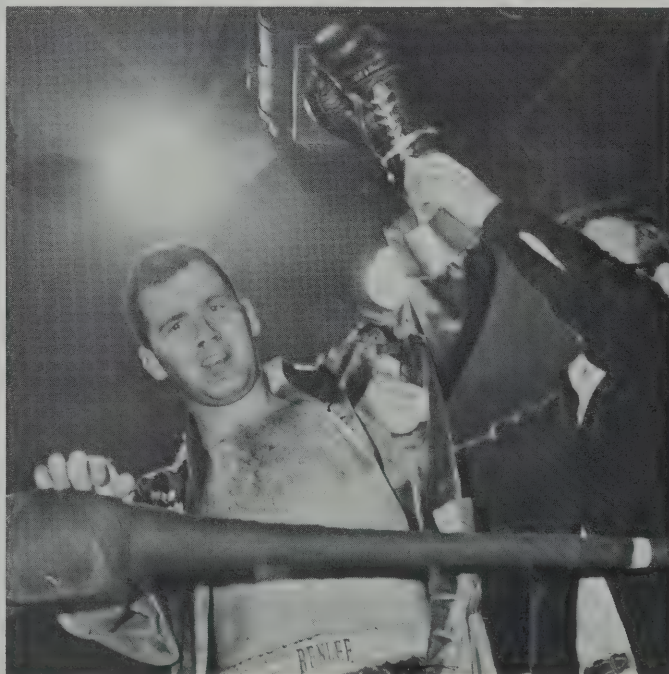

Golden Gloves

St. Michael's Boxers again provided many thrills for New England fight fans. This Year's squad consisted of seniors John Carcich and Alan Schultz and sophomore Mike Armstrong.

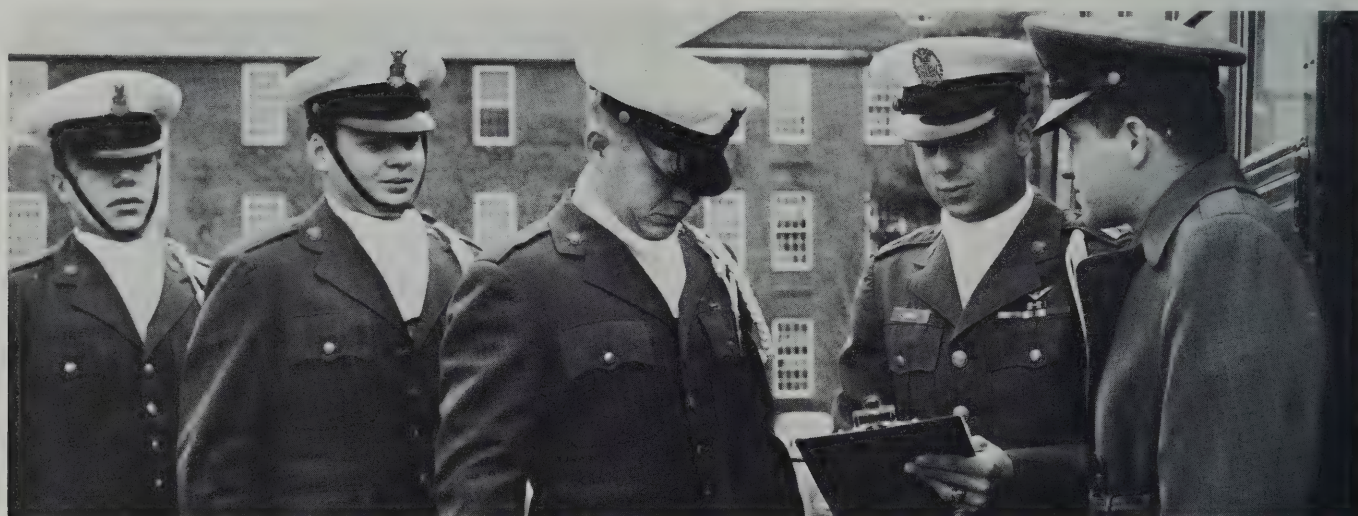

John Carcich overcame the drawback of inexperience to become the Vermont light heavyweight champion in the open division. John beat the defending champion in his first fight, winning by a knockout, after having been knocked down twice in the first round.

Alan Schultz proved to be a tough but out-gunned fighter in losing a decision.

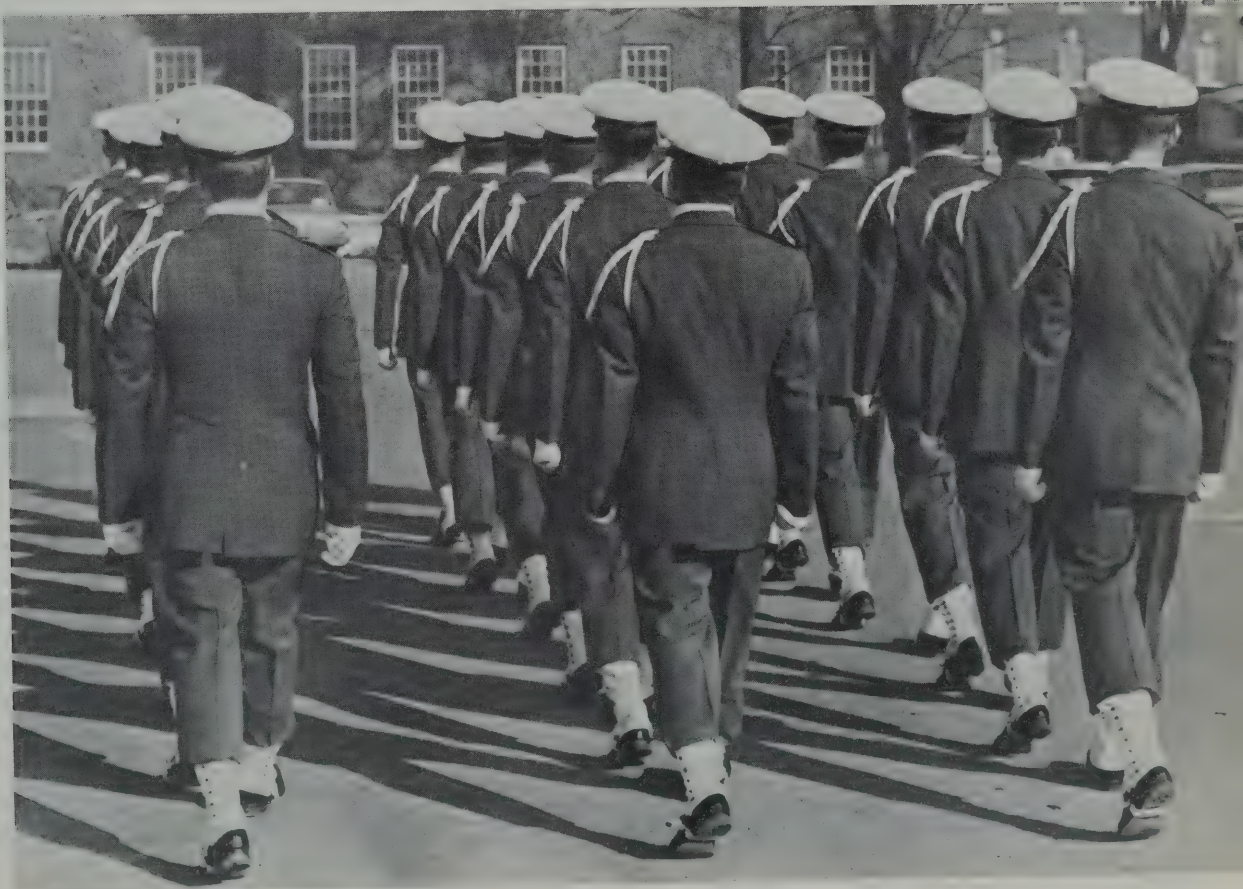

Mike Armstrong, the 1965 New England Golden Gloves Champion, lost his bid for a second straight title when he was beaten by George Graham. Mike then entered the New England AAU tournament and won the light-weight division championship.

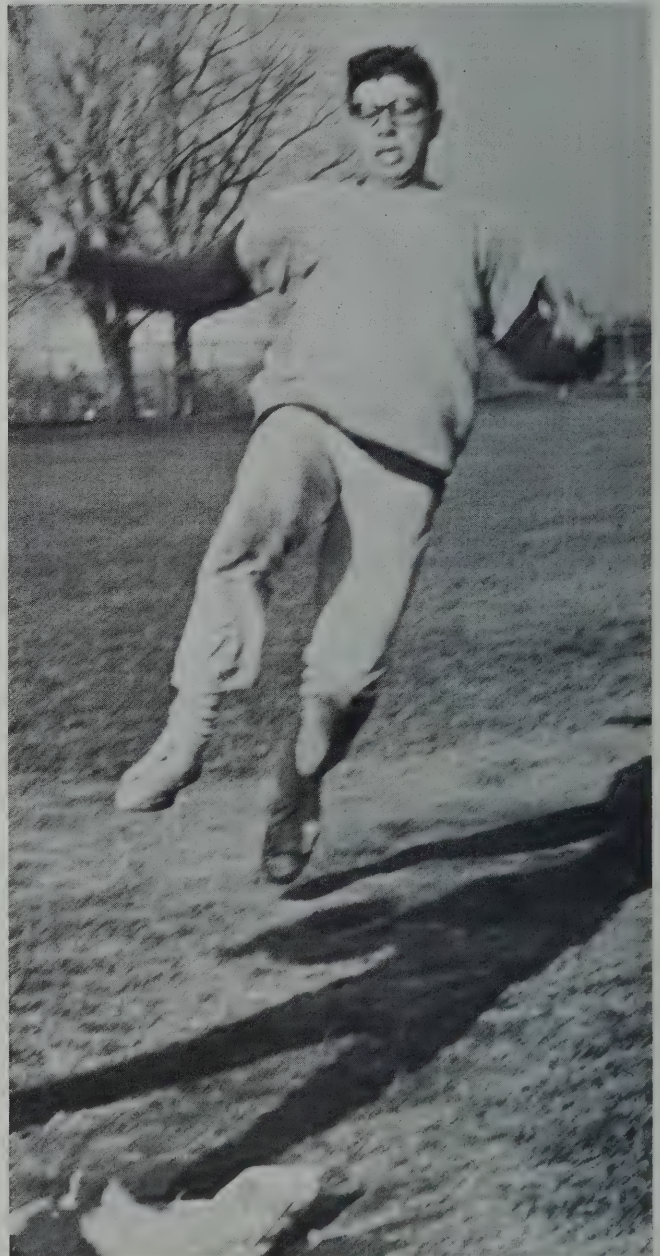

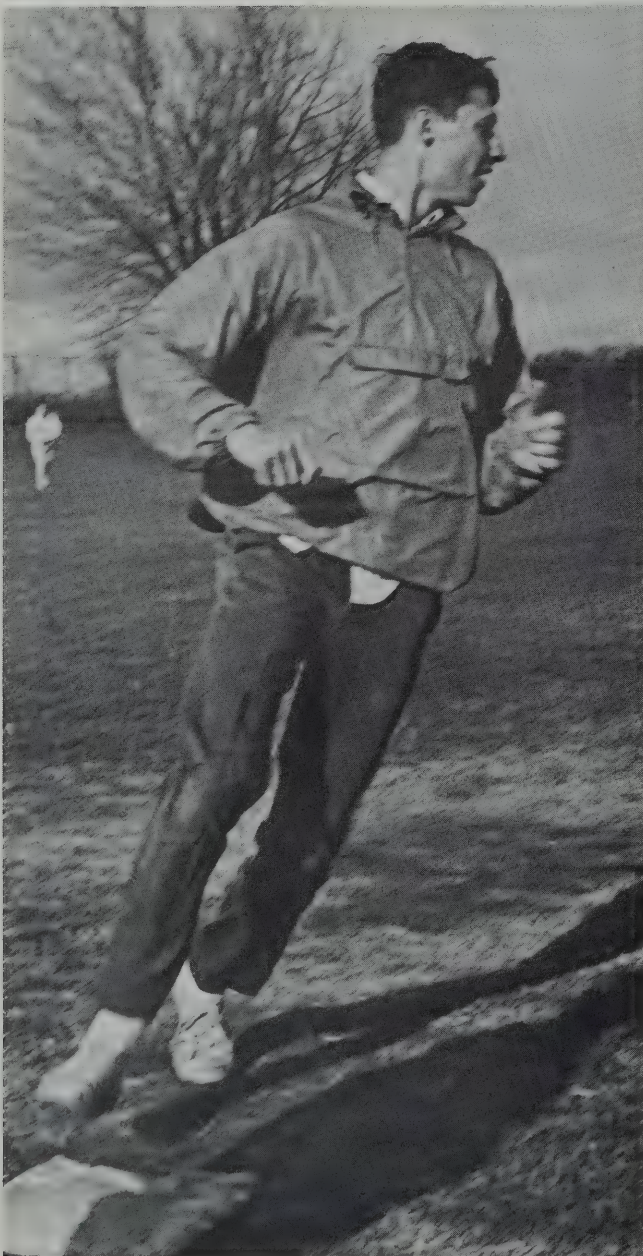

UNARMED DRILL TEAM

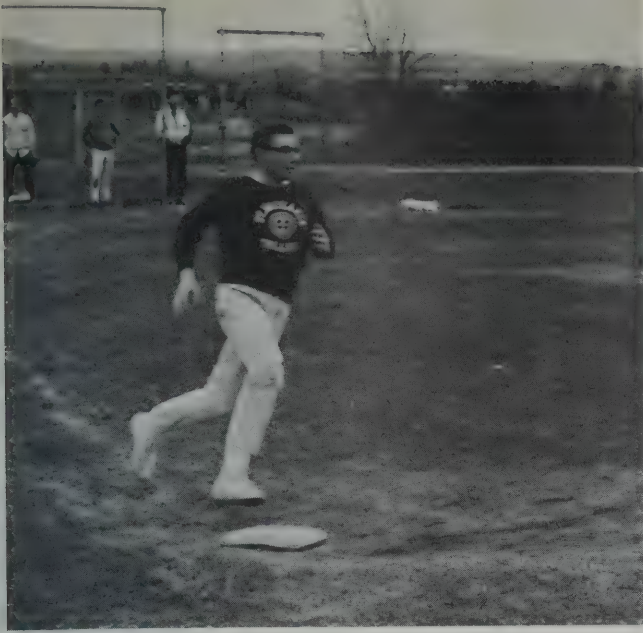

W. Bordeau
K. Maloney

INTERCLASS SOFTBALL

The class of '68 won the interclass Softball Championship. Led by the pitching of Tom McKenna and the hitting and fielding of Bill Dwyer and Lance Larson, the Sophomores were the class of the league and wound up with a 7 win and 1 loss record.

The Juniors were runners-up with a 4 win and 3 loss slate. Seniors wound up 2 and 4; the Frosh were at the bottom of the heap with a 1-5 record. Players that deserve recognition for their fine play; Dan Sullivan, Bobby Kryger, Lou DiNunzio, Bob Bucchino, and Livio Capilla.

BLOCK "M" DINNER

Coach Ed Markey

"Doc" Jacobs presents trophy to R. Loconto.

"The St. Michael's College Block "M" Dinner is given by the college and the Athletic Department to those students who participated in the Intercollegiate Athletic Program on both the Varsity and Freshman levels.

The dinner has a twofold purpose: first, it is an outward expression, by St. Michael's College, of appreciation to those students who participated in this part of the Intercollegiate Program. Second, it is at this affair, that those students who, through their extracurricular activity in the field of athletics, have earned and are awarded the Block "M."

The Block "M" is a symbol that one has represented St. Michael's in Athletic competition, with full regard for true sportsmanship and respect for one's opponent.

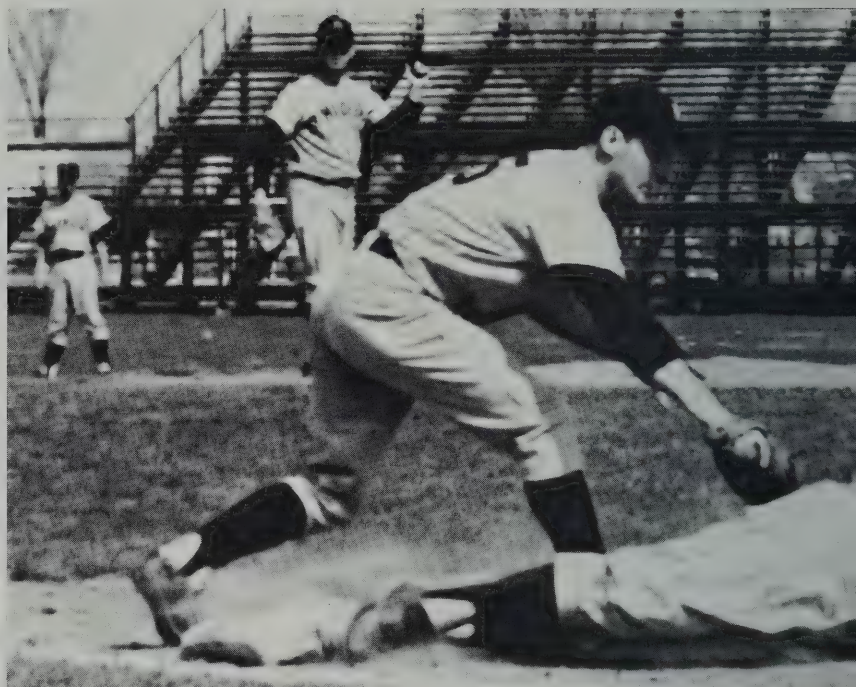

The Block "M" is a symbol of outstanding College Citizenship and Respect.

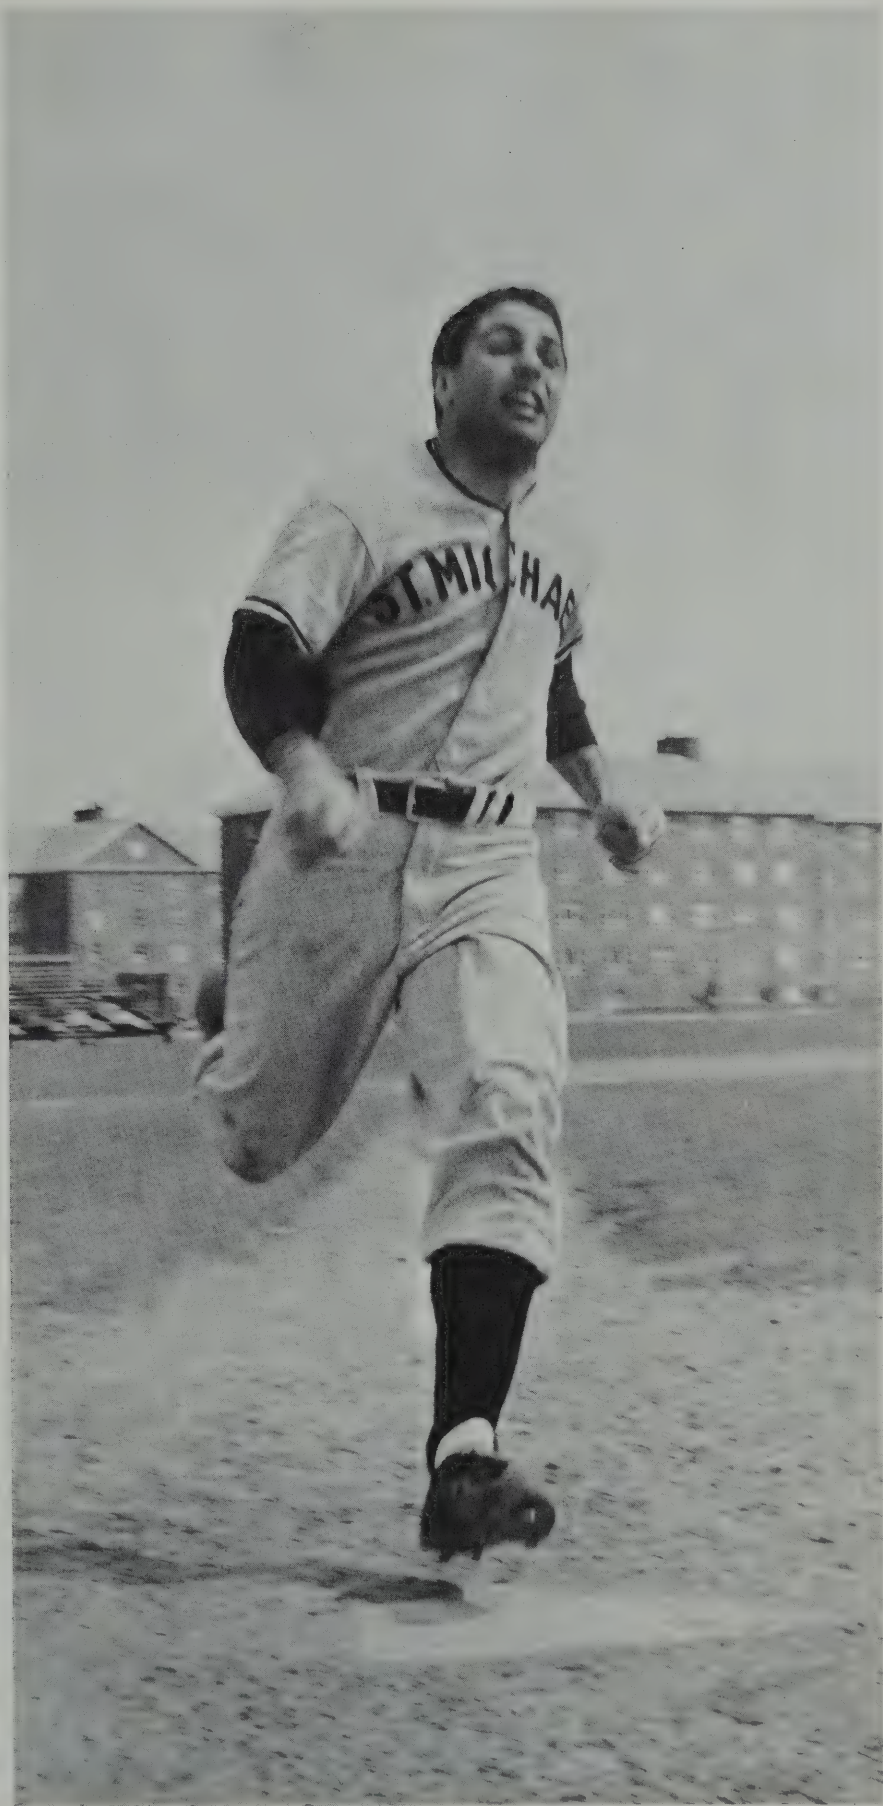

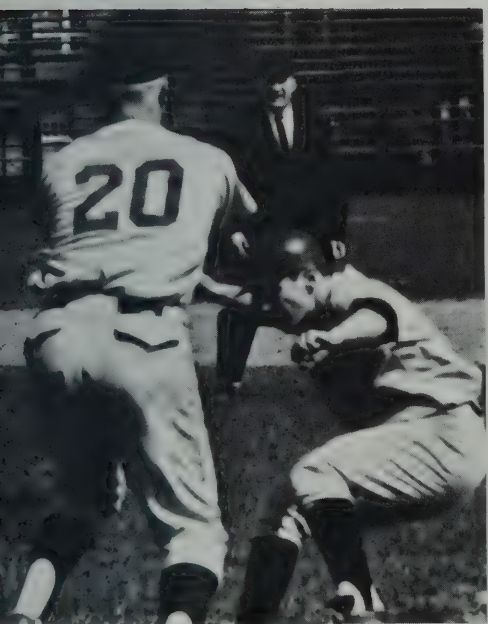

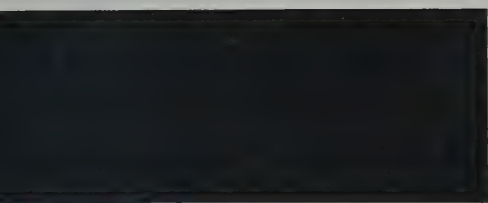

You who have earned the Block "M" should wear it with pride and with a feeling of accomplishment. Wear it with dignity as it is the mark of a Gentleman, a Competitor and a Michaelman."

GEORGE "DOC" JACOBS
Athletic Director

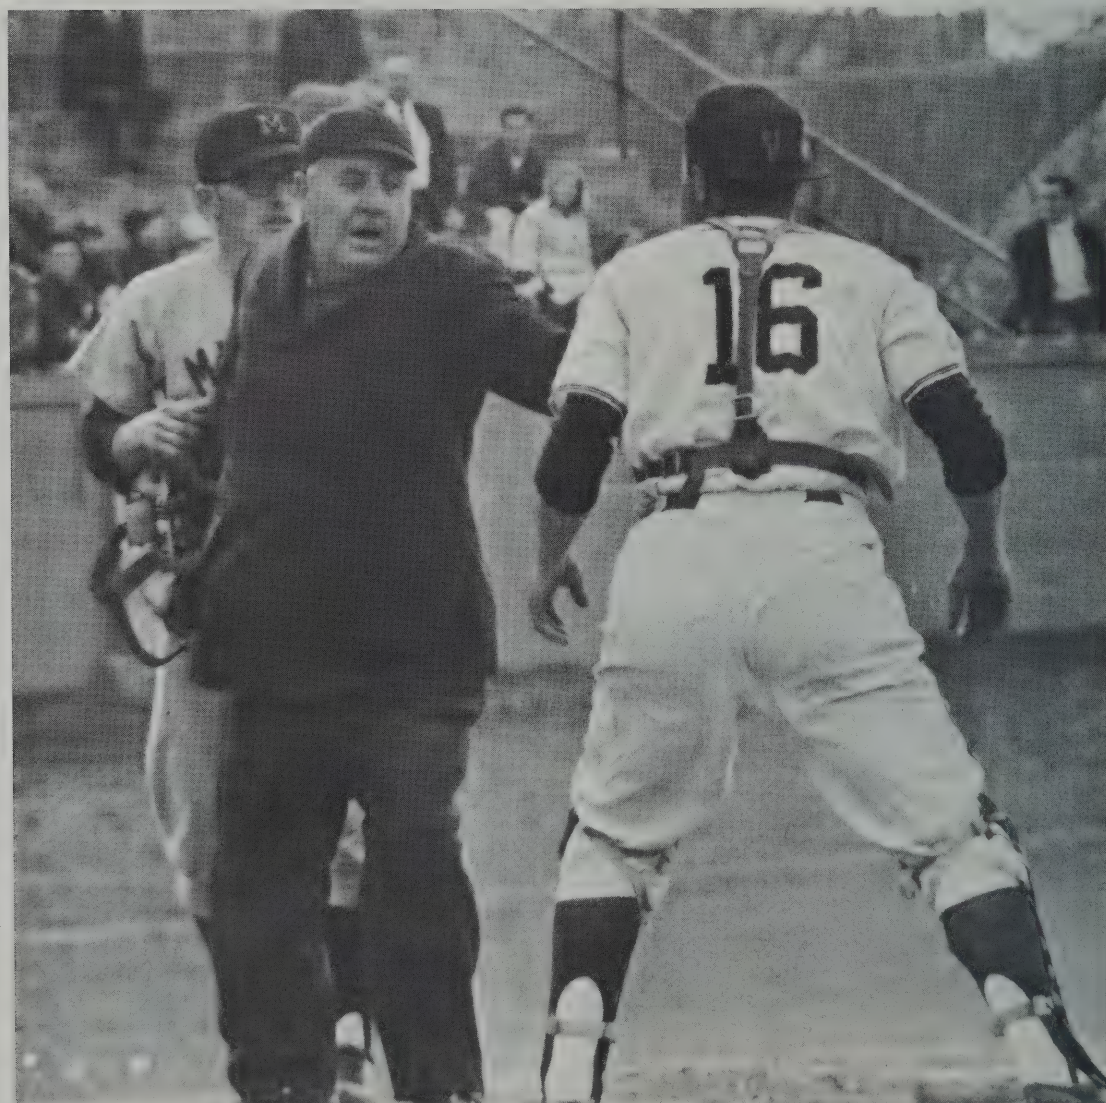

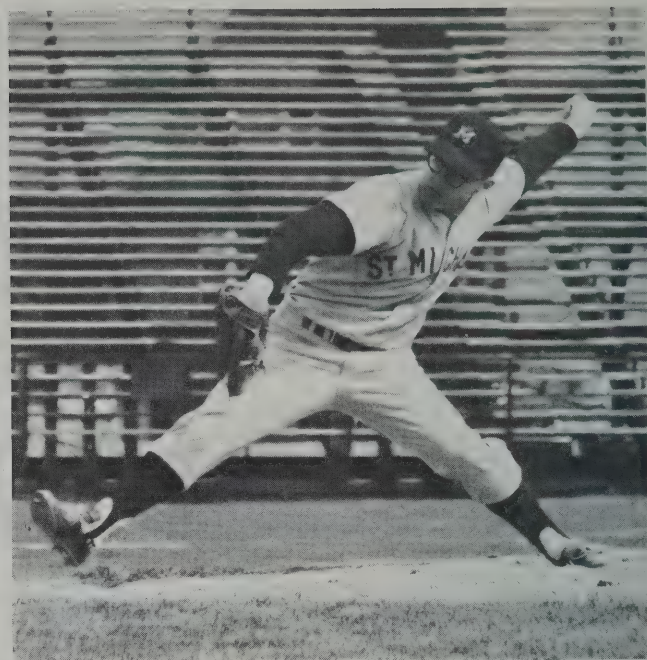

Speaker Tony Nicodemo

Varsity Baseball-1966

Saint Michael's diamond Knights put forward their best record in 20 years in the 1966 season. Displaying excellent pitching good hitting, baserunning, and playing good heads-up baseball, Coach Ed Markey's nine finished with a 7-2 record.

Beginning the season in sunny weather with an 18 hit barrage against Norwich, the Knights gave indication of what was to come. UVM's experienced team topped St. Mike's in their second outing by 1-0 as sophs Dick Wansiewicz pitched well but wasn't given offensive support. After bouncing back behind senior John Carcich to beat Clarkson, the Knights again ran into Vermont on the wrong end of an 18-6 score.

In a clutch win against Lowell Tech, SMC picked off a five game winning streak to finish the season. Carcich pitched nine good innings again but had to be lifted in the ninth for a pinch hitter as the Purple Knights tied it up and had the bases jammed with no out. The impossible happened when Lowell luckily turned a Phil Doherty liner into a triple play. Again showing that ability to bounce back the Knights backed Joe Barnes in three fine innings of relief and won as Mike Montarori singled home Doherty in the twelfth.

After two days unscheduled rest due to snow, the Knights jumped on Plattsburg and coasted to an 8-2 win behind Wansiewicz's pitching. Playing fine defensive ball in a steady downpour at Norwich, SMC beat the Cadets and moved into a home and home series with Middlebury. Wansiewicz pitched strong ball and won the away game 3-2 as the team played clutch ball in the late innings. Carcich won the final game as SMC scored in every inning of the rain abbreviated game.

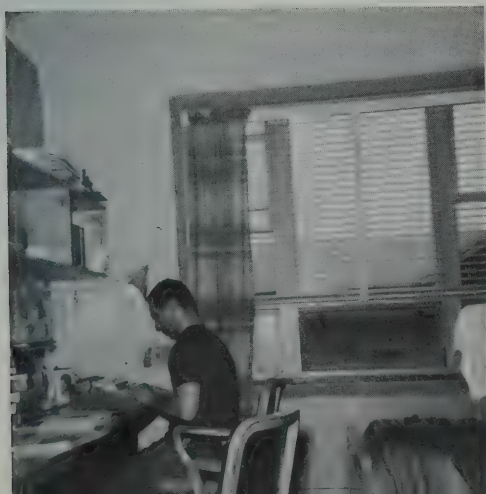

Statistically, Kenny Juall led the hitters with a .424 average followed by George Bafundo's .409 and Doherty's .316. Carcich's 4-0 record topped the pitchers.

Together the team batted very well at .264, stole 24 bases and the staff showed a 2.25 era.

He's home from college
and says he needs the car.
Avis helps you grin and bear it.

"Hi, Dad."

The joys of fatherhood aren't
always so joyful.

Particularly when they cost
money.

But when the apple of your
eye takes the family car, don't
stay home and watch TV.

Rent yourself a sporty Plymouth.

Maybe even a convertible. After all, why should
the kid have all the fun.

STATUS

...BY THE
CHECKBOOK-FULL

ThriftiCheck

Everything about a ThriftiCheck® Personal Checking Account—beginning with the check-book cover—is impressive. Inside, simplicity, convenience and economy are yours every time you pay a bill with ThriftiChecks. The cover itself is handsomely embossed FREE with your school emblem.

And talking about the good looks of the check-book cover, take a good look at those exciting ThriftiChecks with your name printed on each FREE. Here's more status than any collegian need seek . . . status that lasts through post-graduate days, too.
